Inkanto T47331io Thermal Transfer Ribbon - 110 mm x 74m Wax Resin Ink APR6 half inch - 25 rolls per box, 110mm Ribbon width, 74m Ribbon length, APR6 Premium Wax/Resin, Outside (CSO) Coated side, 12.5mm Core

Specifications

Overview Summary:

Enhance your labeling and printing tasks with the Inkanto T47331io Thermal Transfer Ribbon. Measuring 110mm in width and 74 meters in length, this premium wax/resin ribbon ensures sharp, long-lasting prints on both paper and synthetic materials. Perfect for retail, healthcare, and industrial labeling, it fits most standard thermal printers including Zebra, Honeywell, and TSC. Buy now to achieve professional, smudge-free results every time.

Shop the Inkanto T47331io ribbon for reliable, high-quality printing. Its outside-coated (CSO) design prevents smudging, making it ideal for high-volume labeling applications. Ensure your labels remain clear and durable-order today.

Performance tier:Premium Wax/Resin

Uses:Retail product labels, healthcare tags, industrial component labels, facility labeling, general office printing

Overview:

Inkanto T47331io Thermal Transfer Ribbon - Premium Wax/Resin, 110mm x 74m

Enhance your labeling and printing efficiency with the Inkanto T47331io Thermal Transfer Ribbon. Designed for professional environments, this ribbon delivers high-quality prints with exceptional durability, making it ideal for retail, healthcare, and industrial applications.

This premium wax/resin ribbon measures 110mm in width and 74 meters in length, with a half-inch core. Its durable ink ensures sharp, long-lasting prints on both paper and synthetic materials, while its compatibility with major thermal printers such as Zebra, Honeywell, and TSC guarantees reliable performance. The outside-coated (CSO) design prevents smudging and scratching, providing consistent clarity for every print.

Features:**Reliable Wax/Resin Printing for Lasting Quality**

The Inkanto T47331io combines wax and resin technology to produce high-definition, durable prints. Whether you are printing product labels, healthcare tags, or industrial labels, this ribbon resists smudging and scratching, ensuring your prints remain clear over time. Its 110mm width and 74m length make it suitable for high-volume and varied labeling tasks.

Designed for Easy Use and Printer Compatibility

- Half-inch core fits most standard thermal transfer printers
- Compatible with top printers including Zebra, Honeywell, and TSC
- Outside-coated (CSO) design for cleaner, more reliable prints

Versatile Applications Across Industries

- Retail product and shelf labeling
- Healthcare tags and facility labeling
- Industrial and manufacturing component tags

Durable Prints That Last

With its wax/resin blend, the Inkanto T47331io ensures that labels remain readable and professional even under challenging conditions. This makes it a practical choice for businesses that need consistent, high-quality labeling without frequent replacements.
