AS-204T

Asustor AS-204T 4 bay NAS

Product Overview

Asustor AS-204T 4 bay NAS, Intel Atom 1.2Ghz Dual Core, 512MB DDR3 GB LAN x1, USB 3.0 x2, 1x GB LAN, HDMI, SA Power Cable

Specifications

Overview:

ASUSTOR's ADM operating system combined with an Intel processor allows the 2 series to raise read and write performance to the max. The 2 series also provides a total of 4 USB ports (2 x USB 3.0, 2 x USB 2.0) allowing you to simultaneously connect up to 4 external USB hard drives to expand your storage capacity. Furthermore, AS-2TE series comes equipped with an HDMI port and audio jack allowing your NAS to transform into a multimedia player!

Features:

True multitasking
Something else need your attention? With true multitasking you can instantly switch to another application and then switch back to the previous one to pick up right where you left off. ADM allows you to simultaneously run different applications all at once while giving you the power to seamlessly switch between them.

Background operation
Sometimes, tasks such as uploading or downloading multimedia may take some time. ADM is able to perform tasks such as these in the background, effectively freeing you up to complete other tasks.

Quickly find the items you need
Can't find that song on your NAS that you want to share? Use Searchlight to instantly find that song and send a Share Link to your friend! Developed by ASUSTOR, Searchlight is a rapid search technology that is built into ADM and provides quick and precise searches allowing you to easily find the files that you need. Searchlight also features instant file previewing and fuzzy searches, substantially increasing your efficiency and productivity.

Intuitive controls
Using a NAS has never been easier. ADM's fresh and vibrant user interface features intuitive and familiar modern OS controls. With ASUSTOR NAS you'll never have to worry about a steep learning curve.

My Favorites
The My Favorites feature lets you quickly open your most frequently used applications by pinning them to the taskbar, increasing your productivity and efficiency.

Personalized desktop
Customize your desktop to your liking. Whether it's organizing your Apps or changing your home screen wallpaper, ADM gives you the freedom to design the look and feel of your desktop. Furthermore, the "My Favorites" feature lets you pin frequently used applications to the taskbar allowing for easy access.

Enjoy peace of mind
Always checking up on your NAS? Worried about your data and other digital assets? ASUSTOR NAS features real-time system event notifications allowing you to enjoy peace of mind knowing that you'll be notified about any major system events. Notifications can be sent via Email, SMS or push notification giving you a variety of ways to instantly stay on top of the latest developments.

Seamless system migration
Outgrowing your system? Time for an upgrade? With ASUSTOR NAS, switching to a higher capacity NAS model is a piece of cake. When it's time to move your storage volumes to a new system, simply take out your existing hard drives and then insert them into the new system. That's it. Your new system will be up and running instantly.

Dr. ASUSTOR
As the name might suggest, Dr. ASUSTOR acts like a family physician and performs general checkups on all of your settings.

If certain settings are found to be compromising the security of your system or data, Dr. ASUSTOR will provide you with the appropriate set of instructions to fully restore security and protection.

Specifications	
Product Code	AS-204T
Hardware Specifications	CPU: Intel ATOM 1.2GHz Dual-Core Processor
	Memory: 512MB DDR3
	HDD: 2.5" / 3.5" SATA II / III or SSD x 4
	Expansion: USB 3.0 x 2, USB 2.0 x 2
	Network: Gigabit Ethernet x 1
	Output: N / A
	System Fan: 120mm x 1
	Input Power Voltage: 100V to 240V AC
	Certification: FCC, CE, VCCI, BSMI, C-TICK
Operation	Power Consumption: 34W (Operation); 21.5W (Disk Hibernation); 0.8W (Sleep Mode)[2]
	Noise Level: 19.4dB
	Operation Temperature: 5 degreesC~35 degreesC (40 degreesF~95 degreesF)
	Humidity: 5% to 95% RH
ASUSTOR Hightlight	System Migration
	Cloud Connect
	Dr.ASUSTOR
	2-way Backup
	Task Monitor
Eco-Friendly Design	System Sleep Mode (S3)
	Auto-Standby for Both Internal and External Disks
	Auto Fan Control
	LED Night Mode
	Power Schedule: On, Off, Restart, and Sleep
Size and Weight	Size: 185.5(H) x 170(W) x 230(D) mm
	Weight: 3.4 kg / 7.5 lb
