Level Up Your Storage
The 22-liter ROG Ranger BP2701 Gaming Backpack has a large, padded pouch that accommodates up to an 17-inch laptop, along with multiple smaller pockets for a full-size keyboard, mouse and mouse pad, headset, charger, and other gear.

Designed for Daily Convenience
The main laptop compartment also has a side zipper for quick access on the move. A water-resistant pocket on top of the backpack provides quick access to essentials like a power bank or headphones while keeping everything dry in inclement weather. For items you want to keep away from prying eyes, a pair of concealed pockets help keep your valuables safe. For longer trips, the exterior pockets can each accommodate a water bottle or umbrella, making the Ranger the perfect urban travel companion.

A Reflection of Style
A built-in luggage strap adds another layer of everyday convenience, enabling you to quickly secure the Ranger BP2701 to other pieces of luggage. The Ranger BP2701 is made from durable high-strength polyester that's both water-repellent and scratch-resistant. This keeps its weight down to just 0.93 kg, so you stay comfortable when on the move. The ROG Ranger BP2701 is a lightweight backpack that flexes its ROG styling. Its exterior features bold slashes and reflective surfaces, along with a holographic ROG logo.

Cool and Comfortable
Three high-quality meshed back padding create spaces for cool air to circulate, and molds comfortably to your natural posture. The adjustable padded Lycra shoulder straps sit squarely on your shoulders, while the chest strap can be raised or lowered to ensure a perfect fit so you stay comfortable.
