Buy now from our website for quick delivery in South Africa.

Overview Summary

Asus MD100 Marshmallow Oak Milk Wireless Mouse

The Asus MD100 Marshmallow Wireless Mouse is designed for users who need comfort, portability, and quiet performance for everyday computing. Its compact and lightweight build makes it suitable for mobile professionals, students, and home office users who want a dependable wireless mouse with modern styling.

This mouse supports dual wireless connectivity through RF 2.4 GHz using the included USB dongle and Bluetooth for flexible compatibility across devices. Silent switches reduce click noise for quieter environments, while adjustable DPI settings between 800 and 1600 provide responsive cursor control for browsing, productivity, and daily multitasking.

The MD100 offers broad compatibility with Windows 10, Windows 11, Chrome OS, and macOS 12 devices. With up to 12 months battery life and ergonomic contours, it delivers efficient long-term performance for work and travel users.

Performance tier: Entry-level productivity wireless mouse

Uses: Office work, home computing, studying, travel, business productivity, web browsing

Overview

The ASUS Marshmallow Mouse (in Oak Milk color) is a stylish, compact, and quiet wireless mouse designed for everyday use. With a minimalist aesthetic, it's ideal for students, professionals, or anyone who values portability and silent operation. Its ambidextrous design makes it comfortable for both left and right-handed users.

The compact ASUS Marshmallow Mouse MD100 adds a dash of vibrancy to your day with its quick-switch magnetic covers, and a handy strap that makes it easy to carry around. For safety and better hygiene, the covers include ASUS Antimicrobial Guard treatment to inhibit the growth of harmful bacteria. ASUS Marshmallow Mouse MD100 also offers easily adjustable DPI levels for varying degrees of precision, plus 100% PTFE mouse feet for a smooth glide on any flat surface.

Description

The Asus MD100 Marshmallow Oak Milk Wireless Mouse is a compact productivity accessory built for modern users who value quiet operation, reliable wireless connectivity, and comfortable handling. Its lightweight 56 g design makes it easy to carry between home, office, and travel environments while maintaining stable everyday performance.

With dual-mode wireless support, users can switch between RF 2.4 GHz connectivity using the included USB receiver and Bluetooth pairing for compatible laptops, tablets, and desktop systems. This flexible connection setup helps reduce cable clutter and supports multi-device workflows across different operating systems.

The adjustable DPI settings from 800 to 1600 allow users to select cursor sensitivity that matches their work style, whether browsing documents, editing spreadsheets, or navigating presentations. Optical tracking delivers smooth movement across common desk surfaces for accurate everyday use.

Silent switches help minimise clicking noise, making the MD100 suitable for quiet office spaces, study sessions, libraries, and shared work environments. The long battery life of up to 12 months reduces maintenance and provides dependable long-term operation.

Compatible with Windows 10, Windows 11, Chrome OS, and macOS 12 systems, the Asus MD100 Marshmallow Wireless Mouse offers versatile compatibility for users working across multiple platforms.

Features

The Asus MD100 Marshmallow Wireless Mouse is designed for reliable wireless productivity and comfortable daily use.

- Compact ergonomic design for comfortable long-term use
- Up to 12 months battery life for reduced maintenance
- Compatible with Windows 10, Windows 11, Chrome OS, and macOS 12

ComX Computers

Product Specification Sheet

- Stylish Marshmallow Oak Milk finish for modern desktop setups

Light, slim and easy to carry

The symmetrical ASUS Marshmallow Mouse MD100 is ideal for left- or right-handed use. The mouse weighs just 56 grams and includes a concealed carrying strap that you can conveniently slip around your finger when moving from workstation to meeting room.

More variety with distinctive colors

ASUS Marshmallow Mouse MD100 includes an additional top cover to give you two distinct looks that perfectly complement modern laptops like ASUS Vivobook and Zenbook. The latest Oat Milk set includes the Oat Milk and Green Tea Latte top covers for a smart, understated look. The Quiet Blue set, featuring Quiet Blue- and Solar Blue-colored covers, reflects professionalism. Lastly, the Lilac Mist set has Lilac Mist Purple and Brave Green hues for a contemporary look.

Silent and durable

The switches used in ASUS Marshmallow Mouse MD100 are engineered to last, with 10-million-click lifespan providing 3x the longevity of traditional office mice. And the low-noise switch design keeps mouse clicks below 20 dB, so you can use it in quiet environments.

Fast and smooth tracking

MD100 features gaming-grade 100% PTFE mouse feet, which ensure a smooth glide over any surface. Plus, adjustable DPI full sensitivity control, allowing you to switch between 800, 1000 and 1600 dpi to suit different scenarios.

Dual wireless modes with long-lasting battery life

Dual-mode wireless connectivity supports both RF 2.4 GHz and Bluetooth(RegTM) 5.0, providing high data throughput to ensure accurate, lag-free input. In addition, built-in power-saving technology ensures up to a full year of battery life.

Your strongest guard

The surface of ASUS Marshmallow Mouse MD100 is treated with the new ASUS Antimicrobial Guard. This special treatment has been scientifically proven to inhibit bacterial growth² by over 99% over a 24-hour period to potentially reduce the spread of harmful bacteria via contact.
