Product Overview

Esquire Anti-Theft Luggage Zipper Strap

Specifications

Overview:

Anti-theft Luggage Zipper Strap-We're presenting a security announcement today surrounding the protection of your valuables while traveling. The technique of using a ballpoint pen to open any luggage utilizing a zipper, is one that's been publicly disclosed for some time now.

There are unfortunately many that aren't aware of this risk, or that it leaves no tell-tale sign that the suitcase has even been tampered with by simply shoving a ballpoint pen into the zipper track, you can pull the suitcase lid open and access the interior contents. Then with a simple movement of a still-locked zipper slider you can reseal the suitcase without leaving evidence of tampering.

The fact of the matter remains that any suitcase, luggage or pack that utilizes a zipper is susceptible to this attack. Introducing the Anti-theft Luggage Zipper Strap that will at least either secure the interior contents of your suitcase or provide evidence that your belongings have been tampered with.

Features:

"Anti-theft Luggage Zipper Strap

- Prevents zipper puncture and resealing
- Reusable - you don't throw these away"
