UGREEN 1.5m Black 3.5mm Male to 3.5mm Male Cable

Product Overview

UGREEN 3.5mm Male to 3.5mm Male Cable 1.5m (Black)

Specifications

Overview:

The UGREEN 3.5mm Aux Cable provides an exceptional audio experience, allowing you to effortlessly stream your music playlist from an aux output device (e.g., smartphone, tablet) to an aux input device (e.g., speakers, car stereo, headphones). Ideal for everyday use, this premium-quality cable ensures high-fidelity audio output, making it a perfect replacement for broken or damaged headphones, earphones, or speaker cables.

Crafted with enamelled copper conductors and 24K gold-plated connectors, this audio cable offers superior stereo sound quality, delivering a clear and noise-free listening experience. The solid shielding protects against RF, EM, and ground loop interference, allowing you to enjoy unimpeded, high-quality sound.

Built with durability and convenience in mind, the cable features a robust TPE jacket that resists tangling and kinking, while being easy to roll up for storage. The oxygen-free copper connectors ensure high conductivity and long-lasting performance, making the UGREEN 3.5mm Aux cable a reliable and flexible audio solution for both personal and professional use.

With its universal compatibility, this aux cable fits a wide range of devices equipped with standard 3.5mm audio ports, including smartphones, laptops, car stereos, gaming consoles, and more. Whether at home, in the car, or on the go, the UGREEN 3.5mm Aux Cable provides seamless connectivity and premium audio quality wherever you need it.

Features:

- Aluminium shell
- Hi-Fi stereo sound quality
- Enamelled copper conductors and 24K gold-plated connectors
- Universal Compatibility with 3.5mm supported devices
- TBE jacket resists tangling and kinking
- Solid shielding for RF, EM, and ground loop interference protection
