Specifications

Overview Summary

Acer Portable Monitor 15.6" Touch

The Acer UM.ZP1EE.009 is a sleek, portable 15.6 inch monitor featuring an IPS panel with a 16:9 aspect ratio. Designed for on-the-go productivity, this monitor delivers crisp visuals, smooth color performance, and touch interactivity for convenient use anywhere.

With a fast 6ms response time and 200 nits brightness, it ensures clear images for work, entertainment, and casual gaming. Equipped with MiniHDMI, dual USB-C ports, and a 3.5mm audio output, this monitor provides flexible connectivity options. HDR10 support and AdaptiveSync technology enhance visual quality and reduce screen tearing for an immersive experience.

Performance tier: High-performance portable monitor

Uses: Business presentations, gaming, remote work, streaming, media editing, dual-screen setups

Description

The Acer UM.ZP1EE.009 is a premium portable monitor designed for both professionals and casual users. Its IPS panel provides vibrant colors and consistent clarity, while the touchscreen interface makes interaction intuitive and fast. The slim and lightweight design ensures you can carry it anywhere, perfect for business trips, home offices, or dual-screen setups.

Connectivity options include MiniHDMI and dual USB-C ports, supporting high-speed data transfer and video output. HDR10 support enhances visuals with deeper contrast and richer colors, while AdaptiveSync reduces screen tearing for seamless viewing. Whether for gaming, media editing, or streaming, this portable monitor delivers reliable performance in a compact form factor.
