Specifications

Overview Summary

Acer Portable Monitor 15.6"delivers a sleek and lightweight solution for users who need a high-quality display on the go. With a 15.6 inch IPS panel, this monitor provides sharp colors and wide viewing angles, perfect for work, gaming, or multimedia use.

The monitor features a 16:9 aspect ratio, 6ms (GTG) response time, and 220 nits brightness, ensuring clear visuals even in bright environments. HDR10 support enhances contrast and color for a more immersive viewing experience. AdaptiveSync technology reduces screen tearing for smooth gameplay.

Designed with portability in mind, it includes a 3.5mm audio output, MPRII compliant speakers, and a stylish black finish. Ideal for students, professionals, and creative users who need a versatile secondary screen.

Performance tier: Mid-range portable monitor

Uses: Office work, graphic design, gaming, video streaming, presentations

Description

The Acer UM.ZP1EE.J03 portable monitor is designed to enhance productivity and entertainment anywhere. Its IPS panel ensures accurate colors and wide viewing angles, while HDR10 support brings vivid visuals for movies and games. AdaptiveSync technology minimizes screen tearing, providing smooth gameplay and video playback. The 6ms response time ensures quick screen transitions without ghosting, making it suitable for work and gaming alike.

Compact and lightweight, this monitor is easy to carry and set up with USB-C or HDMI connections. Its MPRII-compliant speakers and 3.5mm audio output offer flexible multimedia options. The monitor's sleek black finish adds a professional look, ideal for students, creatives, and remote workers.
