Epson WorkForce DS-1760wn A4 Colour Flatbed / ADF Scanner, USB, WiFi, LAN, Duplex

### Product Overview

Epson WorkForce DS-1760wn A4 Colour Flatbed / ADF Scanner, 600 dpi x 600 dpi Optical Resolution (ADF), 1200 DPI x 1200 DPI Optical Resolution (Flatbed), CIS (Contact Image Sensor) Optical Sensor, ReadyScan LED Technology Light source, 6cm Colour Touchscreen panel, 30 pages/min scanning Speed, 60 sheets paper setting capacity, Single pass Dual scanning automatic Document Feeder Type, 3000 pages reliability Daily duty cycle, Duplex Scan, USB 2.0, Gigabit Ethernet Interface, Wi-Fi

### Specifications

#### Overview Summary:

Experience seamless document scanning with the Epson WorkForce DS-1760wn, designed for South African businesses and home offices. This A4 flatbed scanner with automatic document feeder delivers high-quality scans at up to 1200 DPI, making it ideal for detailed color and monochrome documents. With fast 30 pages per minute speed, duplex scanning, and intuitive software, you can streamline workflows and increase productivity. Shop now to bring precision and efficiency to your office.

Equipped with Wi-Fi and network connectivity, the DS-1760wn allows multiple users to scan and share documents effortlessly. Its compact design and versatile media handling make it perfect for scanning standard A4 papers as well as cards and irregular documents. Buy now to enjoy reliable performance and professional results in every scan.

**Performance tier:**Business**Uses:**Document scanning, duplex scanning, high-resolution image capture, office workflow automation, networked scanning**Overview:****Epson WorkForce DS-1760wn A4 Colour Flatbed / ADF Scanner**

The Epson WorkForce DS-1760wn is designed for businesses and home offices that need reliable, high-quality scanning without overspending. Combining speed, precision, and versatile document handling, this scanner simplifies the process of digitizing paperwork while supporting multiple users through network and wireless connectivity. Its compact design fits seamlessly into any workspace while delivering professional-grade results.

**Description:**

The DS-1760wn scanner offers a combination of flatbed and automatic document feeder scanning, providing resolutions up to 1200dpi for crystal-clear images. The built-in 6cm color touchscreen allows for intuitive operation, while the single-pass dual scanning ADF can handle up to 60 sheets at a time, scanning at 30 pages per minute. With USB 2.0, Gigabit Ethernet, and Wi-Fi connectivity, this scanner can be easily shared across multiple users. Document Capture Pro software ensures corrections for folds, shadows, or distortions, making every scan accurate and professional. Its compact size and versatile media handling make it suitable for a wide range of document types.

**Features:****Affordable Business Scanning Solution**

This scanner provides cost-effective performance without sacrificing quality. Small businesses and home offices can enjoy high-resolution scanning capabilities with a compact, reliable device that fits into any workspace.

**High-Resolution Scanning for Every Document**

Whether scanning from the flatbed or the automatic document feeder, the DS-1760wn produces sharp, detailed images. Document Capture Pro allows for automatic correction of shadows, folds, or distortions, eliminating the need to rescan.

**Simple and Efficient Operation**

The intuitive interface and setup process make this scanner easy to use. A 6cm color touchscreen provides straightforward controls, helping users complete scanning tasks quickly and efficiently.

**Handles Various Document Types**

From standard sheets to irregularly-shaped or fragile documents, this scanner manages different sizes and qualities with ease. Users can choose between flatbed or ADF scanning depending on the needs of the project.

**Seamless Network and Wireless Connectivity**

Integrated network and Wi-Fi options allow the scanner to be shared across multiple workstations, improving workflow efficiency and reducing the need for multiple devices.

**What Comes in the Box**

- Main unit
- Power cable
- Quick Setup Guide
- USB cable
