Overview:

Bit Defender Internet Security 2015 - 1 User

Make online transactions from a unique, dedicated browser, that secured your accounts from fraud. Bitdefender Safepay can now also automatically fill credit card details in billing fields. The two-way firewall continuously monitors your Internet connections and prevents unauthorized access, even over a Wi-Fi network. Stops unwanted e-mail from reaching your Inbox, now fully based on Cloud technology. Bitdefender Internet Security 2015 automatically detects when you work, Play or Watch movies, and temporarily prevents apps from popping up or slowing you down. Provides a hassle-free experience by making optimal security-related decisions with no input from you. This means no pop-ups, no alerts, nothing to configure. Bitdefender Safego filters social-networking specific e-threats by scanning links you receive from your Facebook friends, monitors your privacy settings, and much more! Bitdefender Internet Security 2015 tells you if a link is safe even before you click it in Google and Bing search results. Furthermore, it blocks access to infected links that you have already clicked.

Features:

- Bank Online Without Worries
- Two-way Firewall
- Cloud Antispam
- Bitdefender Profiles
- Bitdefender Autopilot
- Social Network Protection
- Fraud warnings. Secure browsing.
