Specifications

Overview Summary:

Enhance your wine-drinking experience with the Xiaomi Mijia Electric Wine Opener, a sleek and efficient tool designed for South African wine lovers. This automatic corkscrew opens bottles in just 8 to 10 seconds using a smooth three-stage gearing system that protects delicate corks from crumbling. The built-in foil cutter ensures you can remove seals quickly while the lightweight design makes it comfortable to hold during use.

Enjoy effortless and quiet operation with intuitive dual-button controls for both extraction and ejection. Powered by four AA batteries, this black wine opener is compatible with most standard bottles featuring a 36 mm neck. Upgrade your kitchen or bar setup today by buying now.

Performance tier:High Efficiency

Uses:Opening wine bottles, home entertaining, bar service, gift giving, quick meal prep

Overview:

Introducing the Xiaomi Mijia Electric Wine Opener, a sleek and efficient tool designed to elevate your wine-drinking experience. This device effortlessly removes corks in as little as 8-10 seconds using an intuitive dual-button system that handles both extraction and ejection without any brute force. The internal mechanism employs a three-stage epicyclic gearing system paired with a DC motor, ensuring smooth operation while minimizing noise. A high-hardness alloy spiral screw is engineered to grip the cork securely, significantly reducing the risk of breakage or crumbling during removal.

Description:

The Xiaomi Mijia Electric Wine Opener combines speed and elegance in one compact package weighing just 244 g. Its skin-friendly racetrack-shaped body fits comfortably in your hand for extended use. The built-in foil cutter allows you to remove the bottle seal instantly, streamlining the entire process into a single step. Compatible with most standard wine bottles featuring a 36 mm neck, this tool is perfect for home use or entertaining guests.

Designed with user convenience in mind, this opener eliminates the struggle often associated with traditional corkscrews. The dual-button interface provides precise control: one button activates the removal of the cork while the other automatically ejects it from the device. This automatic functionality ensures a clean and professional presentation every time you pour a glass.

The product is powered by four AA batteries, making it portable and ready for use wherever needed. Its compact dimensions

of 18.5 x 5.9 x 4.4 cm allow for easy storage in drawers or on countertops without taking up excessive space. The sleek black finish adds a modern touch to any kitchen setting.

Features:

Key Features:

- Automatically extracts and ejects corks in approximately 8-10 seconds
- Dual-button operation for intuitive control of uncorking and ejection
- Built-in foil cutter removes seals before the opening process begins
- Three-stage epicyclic gearing ensures stable and low-noise performance
- High-hardness alloy spiral screw prevents cork damage or crumbling
- Lightweight design at 244 g with a comfortable skin-friendly grip
- Fits most standard wine bottles with a 36 mm neck diameter

The model number BHR0966GL identifies this specific variant of the Xiaomi Mijia series, ensuring you receive the authentic product with all listed specifications. Whether you are hosting a dinner party or enjoying a quiet evening, this opener delivers consistent results with minimal effort.
