Performance tier:High Value

Uses:Fitness tracking, Heart rate monitoring, Sleep analysis, Swimming, Daily activity logging

Overview:

The Xiaomi Smart Band 11 Active in Grey is a sleek and efficient wearable designed to help you maintain a healthy lifestyle without the bulk of a traditional smartwatch. Weighing just 18 grams, this device offers an unobtrusive fit that stays comfortable throughout your day or night while silently monitoring key health metrics. It combines advanced tracking capabilities with a vibrant display, ensuring you stay connected to your body's needs and your fitness goals effortlessly.

Description:

This lightweight wearable is the perfect everyday companion for anyone seeking comprehensive health insights. The product integrates a 1.47-inch TFT screen with a smooth 60Hz refresh rate, delivering crisp visuals in various lighting conditions. Powered by a robust 300mAh battery, it promises up to 21 days of usage on a single charge, eliminating the need for daily charging. With 5ATM water resistance and support for 50 distinct sports modes, it is built to handle swimming, intense workouts, and daily activities alike.

Features:

Seamless Daily Tracking

The Xiaomi Smart Band 11 Active serves as a reliable partner for your health journey. It moves beyond simple step counting by offering continuous heart rate monitoring and blood oxygen level tracking to give you a complete picture of your physical state. Users can also rely on detailed sleep analysis and new all-day pressure monitoring tools to understand stress levels better. The inclusion of women's health management features adds another layer of personalization, making it suitable for a wide range of users looking to optimize their well-being.

The device boasts a refined aesthetic with a matte metal painted middle frame and a 2.5D screen cover that feels premium in the hand. A new striped texture strap gives the band a youthful and energetic character while ensuring durability during active use. Bluetooth 5.3 connectivity ensures stable data transfer to your smartphone, keeping your notifications and fitness logs up to date without lag.

Key technical specifications for this model include:

FAQ

How long does the battery last on a single charge?

The Xiaomi Smart Band 11 Active features a 300mAh battery that delivers up to 21 days of typical usage, allowing you to track your health and fitness for weeks without needing a recharge.

ComX Computers

Product Specification Sheet

Is this smart band suitable for swimming or intense workouts?

Yes, the device boasts 5ATM water resistance, meaning it can handle swimming, rain, and sweaty workouts without missing a beat. It also supports over 50 sports modes to accurately track your specific activities.

What health metrics does this band monitor?

The Smart Band 11 Active provides comprehensive tracking including continuous heart rate and blood oxygen (SpO2) monitoring, sleep quality analysis, all-day pressure monitoring, and women's health management features.

Will the strap fit different wrist sizes comfortably?

The included TPU strap is adjustable from 135mm to 215mm, ensuring a secure and comfortable fit for most users. The band itself weighs only 18g (excluding strap) for a lightweight feel.

What connectivity does the Xiaomi Smart Band 11 Active use?

The device utilizes Bluetooth 5.3 technology to ensure smooth, responsive visuals on its 1.47-inch TFT display while maintaining a stable connection with your smartphone.
