Xiaomi S1 Active Black Watch

Product Overview

Xiaomi S1 Active Black Watch

Specifications

Overview:

Keep track of your fitness in style with the Xiaomi Watch S1 Active. This smart fitness watch is ideal for home workouts, gym sessions, daily runs and even your favourite swimming training. Featuring a high-resolution and colourful 1.43" AMOLED HD display, the dynamic watch face allows you to see more details with high quality. The S1 Active is also more convenient than ever, allowing you to easily answer your calls with just one tap on your watch.

With 19 professional modes to choose from, including HIIT and an Elliptical machine, the S1 Active has everything you need to help you keep fit. It also features nearly 100 extended workout modes to offer you even more options. The Dual-band positioning technology gives you faster positioning and much more accurate routing for your runs.

The Xiaomi S1 Active cares about you in every moment with its all-day health monitoring, supporting sensors for all-day heart rate, SpO2 monitoring, and sleep tracking for peace of mind. It also keeps up with your workouts thanks to the high-capacity battery which lasts up to 12 days under typical usage. The built-in Alexa support allows you to ask about the weather, set the alarm, or simply control your IoT devices and more.

Its sleek design matches your style and its MIUI super wallpaper support allows you to choose from over 200 watch faces to personalize your experience. For additional safety, the Xiaomi Watch S1 Active also features 5ATM water resistance, which allows you to wear the watch during your swimming sessions.
