Xiaomi E5 White Robot Vacuum

Product Overview

Xiaomi E5 White Robot Vacuum

Specifications

Overview:

The Xiaomi Robot Vacuum E5 offers efficient vacuum and mopping functionality in one, for all-round convenient floor cleaning. The Robot Vacuum E5 is perfect for pet owners, making it ideal for maintaining a hair-free environment. Its easy-to-maintain design allows for no need for secondary hair handling. Its compact 300mm body allows the robot to easily move around in cramped spaces, easily cleaning with no missed spots. With its low body height of 70mm, it can also easily manoeuvre beneath furniture.

Equipped with advanced components such as dual side brushes, a nozzle, a dustbin filter, and a suction fan, it offers a thorough and highly efficient cleaning experience. With a maximum suction power of 2000Pa from the fan blower, you can easily meet your daily floor cleaning needs. Its three suction levels for deep cleaning of hair and its infiltrating water tank with the washable mop pad, make the Xiaomi Robot Vacuum E5 even easier and more convenient to use around the house.

The Xiaomi Robot Vacuum E5 also features multiple intelligent sensors for flexible obstacle navigation to avoid getting stuck during a cleaning session. Its zigzag cleaning path helps it stay on track to minimize uncleaned spots and maintain a high-efficiency cleaning rate.

You can even control the Xiaomi Robot Vacuum E5 remotely through the Mi Home/Xiaomi Home app to control cleaning schedules and free your hands to spend more time on what you enjoy. It is also compatible with Alexa and Google Assistant-enabled devices.

Please note:

- Google Assistant is not available in certain languages and countries.

Features:

- Gyroscope with intelligent path planning
- 300mm diameter and 70mm height
- 2000Pa powerful suction fan blower

- 2600mAh nominal battery capacity
- 3 level settings of suction power
- 400ml dust box and 90ml water tank
- Support for Google and Alexa
