Xiaomi Handheld Garment Steamer

Product Overview

Xiaomi Handheld Garment Steamer

Specifications

Features:

Lightweight for easy steaming Foldable for easy storage

Weighing just 770g*, using the steamer for long periods won't feel like a workout. Adaptable to your storage needs, it can be folded away, or kept in a small bag.

Die-cast aluminium panel

Secondary vaporisation for increased efficiency

Ceramic enamel coating

Glides smoothly without pulling

The ceramic-coated aluminium panel maintains a consistent temperature.

Smoothly removes wrinkles without damaging fabricsThe aluminium panel is enhanced by a ceramic enamel coating that heats up fast and maintains a constant temperature. Watch the wrinkles vanish as it glides over clothes with ease, while water between the aluminium panel and the heating element is vaporized to prevent water stains.

After steaming

clothes are neatly pressed and free of water stains

Before steaming

clothes are wrinkly and shapeless

Generate steam in just 26s Stop it instantly by releasing the steam button

Heats up in just 26 seconds, saving you precious time. Simply press the button to produce steam. When the button is released, steaming stops immediately preventing accidental scalding.

More pressure, more steam

No excess water means you can steam and go, without the need to wait for drying

ComX Computers

Product Specification Sheet

30kPa pressurization technology for powerful steam ejection delivers copious amounts of fine steam for efficient steaming without getting your clothes wet.

2-in-1 design for Horizontal or Vertical ironing Use it however you like

Hanging to steam is perfect for smoothing out wrinkles in light and thin fabrics, while flat steaming concentrates steam more effectively, making it ideal for thicker garments.

160mL large water tank Steams up to 6 items*

The transparent large-capacity water tank allows you to easily monitor the amount of water. Steam up to 6 shirts without needing to refill.

99.99% mite and bacteria removal rate Makes clothes more skin-friendly

The high-temperature steam can kill up to 99.99% of mites and bacteria, keeping your clothes clean and comfortable.

Curved steam release button

Easily press with any finger

5 degrees steamer head angle*

No more hand fatigue, even when steaming for long periods

Indicator light

Light flashes to indicate the steamer is heating and turns solid when ready

1.9m rubber power cord*

Durable and longer for unrestricted use
