Xiaomi White Type-C Earphone

Product Overview

Xiaomi White Type-C Earphone

Specifications

Features:

Seamless Type-C connectivity Plug and play
The seamless Type-C connector design ensures high-quality audio ransmission. Supports reversible use for instant plug-and-play, immersing you in a world of music.

Large-dimension driver Superior sound quality
The 12.4mm large driver, paired with professional sound effects and meticulous tuning by our team, delivers purer, more detailed audio, so every note is clear and vivid.

HD microphone with noise cancellation for calls Clear conversations on busy streets
A high-performance microphone with digital noise cancellation technology reduces ambient noise significantly, greatly enhancing voice clarity. Enjoy smooth, HD calls, as if you were face-to-face.

Simple design Comfortable and wearable for hours
A classic pure black design exudes understated elegance. The ergonomically streamlined form ensures a lightweight, perfect fit that remains comfortable during prolonged use.

Three-button wire control Quick commands at your fingertips
The oval three-button wire control offers more convenient, diverse functions.
Simply press to control your listening experience.

Durable cable Tangle-resistant and more durable
Made from a durable TPE sheath which is resistant to wear and stretching.
The cable is soft and tangle-free for easy use and storage.

IP54 professional protection* No fear of accidental splashes
With an IP54 dust and water resistance rating, there's no need to worry about light dust and rain. Listen freely, whether you're working up a sweat exercising or getting soaked in a sudden light rain shower.
