Product Overview

Xiaomi Smart Scale S200 - White, Tempered Glass + engineering Plastic materials, 0.1 - 150 kg weighing range, 50 g minimum increment, Bluetooth connectivity, Xiaomi Home App integration

Specifications

Overview:

The Xiaomi Smart Scale S200 offers intelligent weight and health metric monitoring in a sleek, compact design, optimised for households focused on wellness, convenience, and data-driven health insights. Built with a high-precision E-shaped manganese steel sensor, this scale delivers accurate measurements down to 50g and supports a full weighing range from 100g to 150kg, ensuring both light and heavy objects or users are tracked with pinpoint accuracy.

Whether you're weighing yourself, monitoring changes while holding a baby, or simply checking the weight of household items, the Xiaomi Smart Scale S200 automatically distinguishes between people and objects. Integrated with the Xiaomi Home App, the scale supports up to 36 user profiles, enables guest weighing without data retention, and provides customised reports over daily, weekly, and yearly intervals, ensuring your health trends are always within reach.

The scale goes beyond basic weight tracking with 4-in-1 health insights, including BMI, standard weight benchmarks, and weight control recommendations tailored to your age and height. It also supports balance testing via the app, offering assessments of coordination and stability for enhanced wellness monitoring.

With its minimalist curved-edge aesthetic, available in Grey and White, and tempered glass surface, the Smart Scale S200 fits seamlessly into any home interior. The ultra-slim 24.5mm profile and modern finish ensure it complements contemporary lifestyles while delivering advanced functionality.

Features:

- Ultra-precise measurements down to 50g
- 4-in-1 health metrics: Weight, BMI, Standard Weight, Weight Control
- Multifunctional use: Object, Baby, Visitor, and Personal weighing
- Smart app connectivity with historical tracking and balance tests
- Auto-recognition for up to 36 users + guest mode
- Bluetooth Low Energy 5.4 for seamless device pairing
- Compact design with curved base and tempered glass finish
