Overview:

Xiaomi L1 200 Lumen 1080p Full HD Smart Projector

Bring the cinema experience into your home with the Xiaomi Smart Projector L1 . Delivering sharp 1080p Full HD visuals, immersive Dolby Audio, and seamless streaming with the built-in Google System, this compact projector is perfect for movie nights, gaming, or casual entertainment. With a screen size range of 40" to 120", auto-focus and keystone correction, it transforms any space into a versatile home theatre.

Description:

The Xiaomi Smart Projector L1 combines a 1080p Full HD display, Dolby Audio, and smart streaming with Google TV. Its 1.2:1 throw ratio and auto-focus capabilities ensure crisp visuals in rooms of any size. Users can easily stream content from Netflix, YouTube, Disney+, and more, while Google Assistant allows hands-free control. Lightweight and portable, it's ideal for indoor and outdoor use.

Features:

Bring Big Screen Entertainment Home

Transform any room into a cinematic space with screen projections from 40" up to 120". The Xiaomi Smart Projector L1 provides immersive visuals that make movie nights, gaming sessions, and family gatherings more engaging. Its high-resolution display ensures every detail is crisp, creating the perfect home theatre environment.

Seamless Setup with Smart Technology

Set up your home cinema effortlessly. The Xiaomi L1 features auto-focus and automatic keystone correction, ensuring a clear and perfectly rectangular image. Intelligent obstacle avoidance and automatic entry optimize the projection, letting you enjoy your entertainment instantly without complicated adjustments.

Streamlined Access to Entertainment

With the built-in Google System, access thousands of movies and shows directly from Netflix, YouTube, Disney+, Prime Video, and more. Google Assistant voice control lets you search content, manage smart devices, and get instant answers, making this projector a central hub for all your entertainment needs.

Powerful and Immersive Sound

Dolby Audio technology enhances your viewing experience by delivering rich, clear sound. Whether watching action-packed movies, playing games, or listening to music, the Xiaomi L1 ensures audio is as impressive as the visuals.

Portable Design for Any Space

Compact and lightweight, the Xiaomi Smart Projector L1 can be easily moved between rooms or taken outdoors. The 1.2:1

throw ratio allows large projections even in small spaces, making it ideal for apartments or backyard movie nights. Its portable design ensures flexibility wherever you want to enjoy big-screen entertainment.

Why Choose the Xiaomi Smart Projector L1

For a versatile and easy-to-use projector with smart features, excellent image quality, and immersive sound, the Xiaomi L1 is an exceptional choice. It transforms any space into a personal cinema, offering endless entertainment possibilities and great value for home theatre enthusiasts.
