Xiaomi Smart Pet fountain 2

Product Overview

Xiaomi Smart Pet fountain 2, 100-day Long Battery Life for extended usage, 4-stage precise Water filtering, 3L Large Volume for multiple pets, Remote Operation via the Xiaomi Home App, 3 Water Output modes

Specifications

Overview Summary:

The Xiaomi Smart Pet Fountain 2 is the ideal solution for pet owners in South Africa who want to ensure their furry friends always have access to clean, fresh water. With its 100-day battery life, 3L large capacity, and advanced 4-stage filtration system, it provides safe, healthy hydration even during power outages. The cordless design allows easy placement anywhere in your home, while the Xiaomi Home app enables convenient remote control, alerts, and flow adjustments.

Built for multi-pet households, this water fountain operates quietly and is simple to clean, featuring an IPX7 water-resistant design and smooth surfaces that resist dirt buildup. Its three adjustable water output modes cater to different drinking preferences, encouraging pets to stay hydrated. Shop now and give your pets the gift of constant, fresh water with smart convenience.

Performance tier:Premium

Uses:Pet hydration, multi-pet households, travel convenience, power outage readiness, easy cleaning

Overview:

Xiaomi Smart Pet Fountain 2 - Long Battery Life, Large Capacity & Smart Control

The Xiaomi Smart Pet Fountain 2 is a thoughtfully engineered hydration system that ensures pets always have access to fresh, clean water, even when you're away. Powered by a robust 4000mAh lithium battery with an impressive 100-day lifespan, it keeps working during power outages and offers safe, cable-free operation to protect curious pets. Its cordless design allows flexible placement anywhere in your home.

Description

Designed for both single and multi-pet households, this 3L capacity fountain combines quiet operation, advanced 4-stage water filtration, and app-controlled convenience. Owners can manage settings remotely, receive timely notifications, and customize water flow to suit their pet's drinking habits. The durable IPX7 water-resistant build, quick disassembly, and smooth surfaces make cleaning simple, while its safe sealed power port ensures long-term reliability.

Features:

Key Benefits

- Long-lasting 100-day battery life
- Large 3L water capacity for multiple pets
- Four-stage filtration for cleaner, healthier water
- Remote operation and alerts via the Xiaomi Home app
- Quiet water flow for minimal disturbance
- Easy cleaning with IPX7 water resistance
- Three adjustable water output modes

Smart Hydration, Wherever You Are

Whether you're at work, running errands, or away for the weekend, this smart fountain keeps you connected through the Xiaomi Home app. You'll get notifications when water runs low, filters need replacing, or the battery requires charging. Adjustable flow settings cater to different drinking preferences, making hydration more appealing for your pets.

Hygienic and Pet-Friendly Design

The fountain's interior features smooth, rounded edges that resist dirt buildup, while its sealed power port adds safety during
