Performance tier: Replacement maintenance accessory

Uses: Replacing a worn main brush, routine robot vacuum maintenance, reducing hair tangles, maintaining cleaning performance on hard floors and carpets

Overview:**Xiaomi Robot Vacuum X20 Replacement Main Brush**

Xiaomi replacement brush | Compatible with Xiaomi Robot Vacuum X20 | Anti-tangle hair cutting design | Easy to swap, keeps your vacuum performing

The Xiaomi Robot Vacuum X20 Anti-tangle Hair Cutting Main Brush is a genuine replacement brush designed exclusively for the Xiaomi Robot Vacuum X20 . Over time, main brushes accumulate hair, fibres, and debris that reduce cleaning effectiveness - this brush's anti-tangle hair cutting design helps minimise wrap-around, keeping your vacuum working at its best between maintenance sessions. Swapping out a worn brush is one of the simplest ways to restore your robot vacuum's pickup performance on both hard floors and carpets. Supplied as a single unit, it's a straightforward, like-for-like replacement that gets your X20 back to doing what it does best.

Description:

The Xiaomi Robot Vacuum X20 Anti-tangle Hair Cutting Main Brush provides a simple way to maintain consistent cleaning performance. Designed specifically for the Xiaomi Robot Vacuum X20, this replacement main brush helps deal with hair, fibres and everyday debris that can build up around the brush roll.

Its anti-tangle hair cutting design helps reduce hair and fibre wrap-around, making routine maintenance easier. Replacing a worn or heavily used brush can also help restore effective dirt pickup across hard floors and carpets. The brush is supplied as a single replacement unit for a straightforward maintenance solution.

Features:**Why Choose a Xiaomi X20 Replacement Main Brush**

Regular brush replacement can help keep your Xiaomi Robot Vacuum X20 operating effectively. A brush that has become worn or covered with tangled hair may affect how efficiently the robot vacuum collects dirt and debris.

This replacement brush is designed as a direct fit for the Xiaomi Robot Vacuum X20, helping simplify installation and reduce maintenance downtime.

Key benefits include:

- Anti-tangle hair cutting design helps reduce hair and fibre wrap-around on the brush roll.
- Helps restore vacuuming performance on hard floors and carpets when the original brush becomes worn.
- Easy tool-assisted replacement keeps routine maintenance simple.
- Supplied as one replacement main brush.
- Genuine Xiaomi replacement component designed specifically for the Xiaomi Robot Vacuum X20.

Compatibility and Technical Details

This replacement main brush is intended for use with the Xiaomi Robot Vacuum X20 . Before ordering, check your existing vacuum model to ensure compatibility.

- Accessory Type: Main Brush
- Compatible With: Xiaomi Robot Vacuum X20

- Colour: Orange and Black
- Part Number / SKU: BHR9689GL

The part number BHR9689GL identifies this Xiaomi Robot Vacuum X20 replacement main brush and can be used when searching for the correct replacement accessory.

Easy Maintenance for Your Robot Vacuum

Replacing the main brush is a practical part of maintaining a robot vacuum. Hair and fibres can gradually collect around the

ComX Computers

Product Specification Sheet

brush, potentially reducing cleaning efficiency. The anti-tangle hair cutting design helps minimise this buildup, while the replacement design makes it easier to keep your Xiaomi X20 ready for regular cleaning.

For homes with pets, carpets or high daily foot traffic, keeping a replacement main brush available can be particularly useful when the original brush becomes worn or requires more frequent cleaning.

What's in the Box

- Xiaomi Robot Vacuum X20 Anti-tangle Hair Cutting Main Brush - Orange and Black x1

Performance Tier:Genuine replacement accessory for the Xiaomi Robot Vacuum X20, designed to support reliable everyday cleaning performance.

Uses:Replacement of a worn or damaged main brush, routine robot vacuum maintenance, reducing hair and fibre buildup, and maintaining effective cleaning on hard floors and carpets.
