Product Overview

BitDefender 2015 - Anti Virus 2015 3 User

Specifications

Overview:

Bitdefender Antivirus Plus 2015 tells you if a link is safe even before you click it in Google and Bing search results. Furthermore, it blocks access to infected links that you have already clicked. Bitdefender Safe go filters social-networking specific e-threats by scanning links you receive from your Facebook friends, monitors your privacy settings, and much more. Make online transactions from a unique, dedicated browser, that secured your accounts from fraud. Bitdefender Safe pay can now also automatically fill credit card details in billing fields. Active Virus Control is a proactive, dynamic detection technology. It monitors processes' behaviour in real time, as they are running, and tags suspicious activities. Essential antivirus security against e-threats. Best Protection for three years straight. Imperceptible. Best for system speed (AV- TEST). Extremely easy to use.

Features:

- Bitdefender Profiles
- Bitdefender Autopilot
- Social Network Protection
- Fraud warnings. Secure browsing
- Pay Online in One Step
- Personal Data Filter
- Bitdefender Photon
- Tune-Up. With One Click Optimizer
- Ensures that no traces of your deleted sensitive files remain on your PC
