Product Overview

KeyChron BM24 Wireless Silent Mouse - Metal Grey, Connectivity - Bluetooth 5.2 / 2.4GHz Wireless / USB Type-C Wired, PAW3212 Sensor, Up to 2400 DPI Resolution, 1000 Hz polling rate (2.4ghz/wired), 125 Hz polling rate (Bluetooth), Huano Silent Micro Switch, 30 IPS (Inches per second), 600mAh Battery capacity, Detachable USB Type-C to Type-C, Right-hand Curved shape, 5 OnBoard Memory profiles

Specifications

Overview Summary:

The KeyChron BM24 Wireless Silent Mouse in metal grey combines sleek design with exceptional functionality. Its right-hand ergonomic shape and whisper-quiet Huano micro switches provide comfort and focus for extended work sessions. With triple-mode connectivity-Bluetooth 5.2, 2.4GHz wireless, and USB Type-C wired-this mouse adapts seamlessly to any setup. Achieve precise control with adjustable DPI up to 2,400 and enjoy long-lasting performance with a 600mAh battery delivering up to 120 hours of use. Shop now to upgrade your workstation with a mouse that balances silence, comfort, and precision.

Built for professionals seeking smooth navigation and quiet operation, the BM24 is perfect for home offices, studios, or corporate environments. The Teflon/PTFE feet ensure effortless gliding across surfaces while onboard memory allows customisation for up to 5 profiles. Buy now and experience a mouse engineered to enhance productivity without distraction.

Performance tier: High

Uses: Office work, graphic design, data analysis, remote work, precise computing, ergonomic tasks

Overview:

Silent Wireless Mouse for Enhanced Productivity
Engineered for professionals who demand quiet, precise, and reliable performance, the Keychron BM24 Wireless Silent Mouse elevates your work experience. Designed for uninterrupted focus, this ergonomic mouse combines whisper-quiet clicks with accurate tracking and versatile connectivity. Ideal for office tasks, creative projects, or remote work, the BM24 delivers comfort, control, and adaptability throughout your day.

Description:

The Keychron BM24 offers an ergonomic right-hand design with a curved shape for long-lasting comfort. It features Huano silent micro switches for near-silent clicks, a PAW3212 sensor with adjustable 100-2,400 DPI for precise control, and Teflon/PTFE mouse feet for smooth gliding across surfaces. Triple-mode connectivity lets you switch effortlessly between Bluetooth 5.2, 2.4 GHz wireless, or USB Type-C wired connection. A 600mAh battery provides extended use, and onboard memory supports up to 5 customizable profiles for a personalized workflow.

Features:

Precision and Quiet Performance
Every click on the BM24 is silent, making it perfect for shared workspaces or late-night productivity sessions. Its high-performance PAW3212 sensor allows pixel-precise tracking and an adjustable DPI range, ensuring accuracy for detailed work or fast navigation. Whether moving across large screens or performing intricate tasks, this mouse responds reliably and smoothly.

Flexible Connectivity for Any Setup
The BM24 adapts to your workflow with three connection options. Bluetooth 5.2 ensures wireless convenience, 2.4 GHz provides low-latency responsiveness at a 1000 Hz polling rate, and USB Type-C wired mode guarantees uninterrupted performance. Its robust build and smooth-glide feet make it effortless to use on a variety of surfaces, whether at home, in the office, or on the move.

Extended Battery Life and Customization
With a 600mAh battery, the BM24 supports up to 120 hours of use at 1000 Hz polling rate, reducing interruptions for charging. The detachable USB Type-C cable adds modern convenience, while onboard memory and Keychron Launcher software let you save up to 5 profiles for tailored settings. Adjust DPI, remap buttons, and optimize your mouse behavior for maximum productivity.

Comfort-Driven Design
The ergonomic right-hand shape ensures natural hand positioning for long hours of use. Combined with quiet operation and smooth tracking, the BM24 supports sustained focus and minimizes fatigue, making it ideal for professionals in any environment.
