Product Overview

Linkqnet HPS01-4A Slim Aluminium Desktop Headphone Stand

Specifications

About this product

The Linkqnet HPS01-4A Slim Aluminium Desktop Headphone Stand offers a sleek aluminium build with silicone headrest and non-skid base for secure, scratch-free storage of headphones and accessories. Buy this premium desktop headphone stand from our online store for quick delivery in South Africa.

Overview Summary

Linkqnet HPS01-4A Slim Aluminium Desktop Headphone Stand delivers a clean, modern storage solution for headphones, keeping your desk organised and clutter free. Its minimalist aluminium body is lightweight yet sturdy, offering a stable base for headsets and additional space on your desktop for small items like earbuds or cables.

The ergonomic curved headband support and protective silicone layers help prevent slipping and protect your gear from wear. Designed for daily use, this headphone stand enhances both the look and functionality of your workspace while safeguarding your audio gear.

Performance tier: Essential accessory

Uses: Headphone storage, Desktop organisation, Gear protection

Description

The Linkqnet HPS01-4A Slim Aluminium Desktop Headphone Stand is a practical and stylish solution for organising headphones and small audio accessories on any desk surface. Crafted from lightweight yet durable aluminium, this stand blends clean design with everyday usefulness. The curved top cradle is lined with silicone to cushion headset headbands and reduce slipping, while the non-skid silicone pads on the base keep the stand stable and protect your desk from marks or scratches. With its compact footprint and elegant look, this accessory is ideal for gamers, professionals, and audio enthusiasts looking to tidy workstations and prolong the life of their headphones.

Features

- Lightweight aluminium construction for a sleek, modern look and reliable support.
- Silicone headrest protects headphone headbands and prevents gear from slipping off.
- Non-skid silicone pads under the base ensure stability and desk surface protection.
- Compact dimensions save desk space while providing organised storage.
- Suitable for most over-ear and on-ear headphones, plus extra space for earbuds or cables.
