Specifications

Overview:

DUAL MONITOR PREMIUM ALUMINUM SPRING-ASSISTED MONITOR ARM WITH USB PORTS
For Most 17"-32" Flat Panel and Curved Monitors

The LDT50-C024U Premium Aluminum Spring-Assisted Monitor Arm brings users to a new level of viewing comfort and positioning ease. The sleek and elegant design avoids the mundane, offering the user the ability to express their individuality and uniqueness in the workplace. Though the LDT50-C024U is sleek in appearance, it has the strength to move 17"-32" monitors with little effort. It doesnt stop there, the LDT50-C024U incorporates a durable mechanical spring that has preset tension can firmly hold most monitors weighing from 2kg-9kg (4.4-19.8 lbs). The result of all these features is users having the ability to easily adjust their monitors to a desired height, improving posture and productivity while reducing eye strain and neck pain. The innovative quick release VESA plate makes mounting or dismounting the monitor a breeze. Also, a user selectable 180degrees/360degrees rotation stop prevents the arm from entering rear desk space, perfect for adjoining desks and cubicles. LDT50-C024U provides two easily accessible 3.0 USB ports for charging and quality need. The LDT50-C024U not only looks good, but has great functions too. Help your customers become more productive and healthier with quality mechanical spring single monitor arms from LUMI!

Features:

- Detachable VESA Plate Design: enables easy installation
- Built-in Spring Tension Mechanism: for perfect weight adjustments
- 180degrees Rotation Stop: prevents monitor arm from swinging into screens or walls
- Smooth Arm Insertion: ensures easy installation
- 2 easily accessible USB 3.0 ports
