

BRK-LP73-812T

LinkQnet bracket 125kg 37"-140" Heavy Duty TV Wall Mount

Product Overview

LinkQnet bracket 125kg 37"-140" Heavy Duty TV Wall Mount, BRK-LP73-812T, Powder coating Surface finish, Fine texture Black Colour, 37"-140" Fit screen size, Fit Curved screen, VESA and Universal mounting hole pattern, 125kg weight capacity, 62mm Profile, Tilt, Hook-On Bubble Level

Specifications

Overview Summary:

Upgrade your home entertainment setup with this heavy duty TV wall mount designed for large 37" to 140" screens. Built from durable steel with a 125kg load capacity, it offers reliable support for both flat and curved TVs. The low-profile design combined with a smooth tilt function allows you to achieve the perfect viewing angle while keeping your space neat and modern.

Installation is straightforward thanks to the split design, quick-release system, and included bubble level for accurate alignment. Compatible with a wide range of VESA patterns, this bracket is ideal for homes, offices, and commercial setups. Buy now and secure your TV with confidence.

Performance tier:High-performance heavy-duty

Uses:home TV mounting, office display installation, boardroom screens, digital signage, large screen setups

Overview:

Heavy Duty TV Wall Mount for Large Screens up to 140 Inch

Designed for large-format displays and demanding installations, the LinkQnet BRK-LP73-812T TV wall mount delivers a stable and secure mounting solution for screens ranging from 37 inch to 140 inch. Its robust steel construction supports up to 125kg, making it suitable for commercial environments, boardrooms, digital signage, and premium home theatre setups.

The slim 62mm profile keeps the display close to the wall while maintaining a clean, professional appearance. With universal VESA compatibility and support for curved screens, this mount adapts to a wide range of modern TVs. Installation is simplified through a split design and integrated quick-release system, helping reduce setup time and effort.

Description:

The BRK-LP73-812T is a heavy duty TV wall mount engineered for strength, flexibility, and ease of installation. Built with high-grade steel and finished in a durable powder-coated black texture, it provides reliable long-term support for oversized displays. The toolless tilt mechanism allows precise screen adjustment without additional tools, while the included hook-on bubble level ensures accurate alignment during installation. Ideal for both residential and professional applications, this mount combines durability with practical usability.

Features:**Key Advantages and Design Highlights**

- Heavy duty steel construction ensures long-lasting durability and stable support for large screens
- Split bracket structure allows easier handling, transport, and installation
- Toolless tilt adjustment enables quick positioning between +7 and -7 degrees
- Quick-release mechanism simplifies mounting and removal of the display
- Compatible with both flat and curved TVs for flexible installation scenarios

Compatibility and Mounting Range

This model supports a wide range of VESA patterns, making it highly versatile across different display brands and sizes.

- Supported screen size range: 37 inch to 140 inch
- Maximum mounting pattern: 1200 x 800
- VESA compatibility includes: 300x200, 400x200, 300x300, 400x300, 400x400, 600x400, 800x400, 800x600, 900x600, 1000x600, 1200x600, 1000x800, 1200x800
- Suitable for curved screens

Build Quality and Physical Details

Engineered with precision materials to maintain structural integrity even under maximum load.

- Material composition: steel and plastic
- Bracket arm thickness: 1.8mm cold-rolled steel
- Wall plate thickness: 1.8mm cold-rolled steel
- Extension adapter arm thickness: 2mm cold-rolled steel
- Surface finish: powder-coated
- Colour: fine texture black
- Overall dimensions: 62 x 1369 x 826mm
- Profile distance from wall: 62mm

Installation and Adjustment

The mount is designed for efficient installation while maintaining secure positioning.

- Installation surfaces: solid wall or double stud (406mm, 450mm, 600mm spacing)
- Wall plate type: fixed
- Direction indicator included for correct alignment
- Hook-on bubble level included for precise positioning
- Screen tilt range: +7 to -7 degrees
- Free tilting adjustment supported

Additional Notes

- Cable management not included
- Anti-theft functionality not included
- Accessory kit supplied in organized packaging

The LinkQnet BRK-LP73-812T, part number BRK-LP73-812T, is a practical choice for installers and users needing a reliable,

high-capacity mounting solution for extra-large displays without compromising on ease of use or installation efficiency.
