- Accessory bag
- Bobbin (pre-installed)
- Button sewing foot
- Buttonhole foot
- Darning plate

ComX Computers

Product Specification Sheet

- Foot controller
- Needle set (90/14 needle)
- Oval screwdriver
- Zigzag foot (fitted on the machine)
- Zipper foot

Stitch Variety for Creative Projects

With 37 different stitches to choose from, you can adjust stitch width, stitch length, and thread tension for precise results. The one-step buttonhole makes creating neat buttonholes quick and simple.

Convenient Drop-in Bobbin

The drop-in bobbin system makes setup straightforward. Simply place in a wound bobbin and you're ready to sew without fuss.

Video Tutorials and Guides

Learn at your own pace with free online video tutorials. These guides walk you through setup, sewing techniques, and troubleshooting whenever you need help.

Perfect for Stretch Fabrics

Sewing stretchy materials like Lycra, T-shirt jersey, or activewear is easier with built-in stretch stitches. The GS3700 provides strong seams designed to move with your garments.

Easy Needle Threading

Avoid the frustration of threading by hand. The built-in needle threader saves time and reduces strain, making sewing more enjoyable.

Expandable with Optional Accessories

You can upgrade your GS3700 with a wide table or optional 5mm presser feet for bigger projects.

Additional Sewing Accessories

Explore an extensive range of compatible sewing machine accessories, including presser feet, bobbins, needles, and embroidery hoops. These additions enhance the versatility of your machine and help you achieve professional results in all your sewing projects.
