Epson Stylus Pro 4900 17" 11 Ink Large Format Printer

Product Overview

Epson Stylus Pro 4900, Large Format Printers, 17" (43.2 cm), 11 Ink Cartridges, IKvMpKOCYIIKvIMmKGIC, 2.880 x 1.440 dpi, Auto Sheet Feeder, Auto cutter, Borderless print, Fine Art Paper Path, Manual duplex, Roll Paper, Thick Media Support, LCD screen: Type: Color, Diagonal: 6,3 cm, USB 2.0 Type B, USB 2.0 Type A, Ethernet interface (100 Base-TX / 10 Base-T), USB 1.1 Type B, EpsonNet Config, Mac OS 10.3+, Windows 7, Windows 7 x64, Windows Server 2003 (32/64bit), Windows Server 2008 (32/64bit), Windows Server 2008 R2, Windows Vista, Windows Vista x64, Windows XP, Windows XP x64, Driver and utilities (CD), Individual Ink Cartridges, Main unit, Power cable, Setup guide, Software (CD), User manual (CD), Warranty document

Specifications

Overview:

This compact, 17-inch production printer sets new standards in colour precision for pre-press, packaging, design, commercial photographs and fine art reproduction. The Epson Stylus Pro 4900 boasts outstanding colour consistency and accurate colour matching, and can reproduce 98 percent of all PANTONE* colours. Its high level of automation and robust mechanism make this printer a highly productive workhorse for any proofing, office or studio environment.

Features:

- Super-wide colour gamut: Easily create consistent, accurate proofs or exceptional photographs and fine art images thanks to one of the widest colour gamuts on the market. Epson's 11-colour UltraChrome HDR inks and Advanced-TFP print head give a professional finish every time, and are identical to the inks and technologies used in Epson's larger format production printers up to 44 inches.
- Accurate remote proofing: Produce high-quality remote proofs with the Epson Stylus Pro 4900's automatic colour certification and calibration. The optional inline SpectroProofer ensures consistent, repeatable colour accuracy when using different media, rapidly measuring control strips and colour charts when creating ICC profiles and print verification results.
- Boost productivity: Work faster with a production speed of speed of 46m2/hour and minimal maintenance requirements. The high capacity front-loading cassette makes inserting paper easy, and automated paper changing means no time is wasted switching between cut sheet and roll paper. The printer also switches automatically between photo and matte black inks, with both installed to avoid stopping the print run. All inks come in high capacity cartridges for less frequent changes and better value.
- Outstanding flexibility: Print on a wide range of media up to 1.5mm thick, including thick photo or presentation matte board, canvas and fine art paper. Choose from a variety of paper paths; cassette, top and front manual board feed or roll.

Specifications	
Product Code	C11CA88001A0
Technology	
Printing Method	Epson Micro Piezo TFP print head
Ink Technology	Ultrachrome HDR
Print	
Colours	Green, Orange, Vivid Light Magenta, Vivid Magenta, Yellow, Light Cyan, Cyan, Matte Black, Photo Black, Light Light Black, Light Black
Ink tank capacity	200 ml
Minimum Droplet Size	3.5 pl
Nozzle Configuration	360 Nozzles Black, 360 Nozzles per Color
Paper / Media Handling	
Paper Formats	A2, A2+, A3+, A3, A4, Letter, 17 " (43.2 cm), User defined
Print Margins Sheet Media	Mode 1: 3 mm (top), 3 mm (right), 14 mm (bottom), 3 mm (left)
Paper Tray Capacity	250 Sheets Standard, 250 Sheets Maximum, 100 Photo Sheets
Automatic Document Feeder	250 Pages
Compatible Paper Thickness	0.08 mm - 1.5 mm
Duplex	No
Number of paper trays	1
General	
Energy Use	52 Watt, 8.5 Watt (economy), 0.5 Watt (standby)
Supply Voltage	AC 100 V - 240 V, 50 Hz - 60 Hz
Product dimensions	863 x 1, 134 x 405 mm (Width x Depth x Height)
Product weight	52 kg
Sound Power	Operation: 6.1 B (A)
Noise Level	Operation: 45 dB (A)
What's in the box	Driver and utilities (CD), Individual Ink Cartridges, Main unit, Power cable, Setup guide, Software (CD), User manual (CD), Warranty document
Other Features	
Memory	Printer: 256 MB, Network: 64 MB
Other
