Overview Summary

Product title: Epson EcoTank L4360 Multifunction Ink Printer

The Epson EcoTank L4360 is built to reduce printing costs with a smart ink tank system, eliminating the need for frequent cartridge replacements. This printer combines printing, scanning, and copying functions in one compact unit, making it ideal for home offices or small businesses. Its LCD screen simplifies navigation, while the Epson Smart Panel App allows wireless setup, monitoring, and printing directly from your mobile device.

Enjoy seamless double-sided printing and high page yields with ultra-low-cost ink bottles. The EcoTank L4360 ensures consistent quality in both color and black-and-white documents, making it suitable for reports, presentations, and everyday printing tasks. Buy now from our website to streamline your printing workflow in South Africa.

Performance tier: High-efficiency office printer

Uses: Printing, Scanning, Copying, Home office, Small business, Wireless printing

Overview

Epson EcoTank L4360 Multifunction Printer hassle-free ink tank system, delivering up to 14,000 black-and-white or 5,200 color pages at ultra-low cost, complemented by 15 ipm black/8 ipm color speeds and automatic double-sided printing.This 3-in-1 color printer features a 1.44" LCD screen, Wi-Fi setup, Epson Smart Panel app for wireless print/scan monitoring, and a flatbed scanner (1,200x2,400 dpi) for versatile document handling in your tech setup. Ideal for IT pros needing reliable, compact printing with borderless A4 capability and energy-efficient operation, it fits seamlessly alongside your hardware and networking gear.

Description

The Epson EcoTank L4360 is designed for reliable, high-volume printing with minimal maintenance. Its refillable ink tank system allows for hassle-free printing with significantly lower costs compared to traditional cartridges. The 3-in-1 functionality lets you print, scan, and copy documents with ease. The included LCD screen and Epson Smart Panel App provide user-friendly controls and wireless connectivity, enabling printing from smartphones and tablets. Its double-sided printing feature reduces paper usage while maintaining professional-quality output in both color and black-and-white documents.
