Overview Summary

Epson EcoTank Home L3351 A4 All-in-One Ink Tank Printer

The Epson EcoTank L3351 is an A4 multifunction ink tank printer designed for everyday home and small office requirements. It provides print, copy and scan functions in one compact device, with Wi-Fi connectivity for convenient wireless printing.

Print at resolutions of up to 5760 x 1440 dpi and speeds of up to 11 pages per minute in black and 6 pages per minute in colour. The printer supports borderless printing, manual duplex printing and a 100-sheet input tray, while the Epson Smart Panel app provides convenient mobile control and printer management.

Performance tier: Home and light-duty small office

Uses: Home printing, schoolwork, documents, colour printing, copying, scanning, wireless printing

Overview

The Epson EcoTank Home L3351 is a compact 3-in-1 printer that handles printing, scanning, and copying for home offices, students, and family use. Its cartridge-free EcoTank system helps reduce ink costs by up to 90% while delivering high-capacity, mess-free refills. Powered by Epson's Micro Piezo printhead, it delivers sharp results with a maximum print resolution of 5760 x 1440 dpi and print speeds of up to 11 ipm black and 6 ipm colour. The built-in CIS flatbed scanner supports 1200 x 2400 dpi scanning for everyday document and image needs. With USB and wireless connectivity, including Wi-Fi Direct, AirPrint, and Epson Smart Panel support, the L3351 is easy to set up and manage from mobile devices. Its compact design and low running costs make it a practical choice for reliable, everyday printing.

Description

The Epson EcoTank Home L3351 is an A4 All-in-One ink tank printer designed to provide convenient printing, copying and scanning for everyday users. Its multifunction design combines essential document and image handling capabilities in a single printer, making it suitable for home users, students and light-duty office environments.

The printer delivers print resolutions of up to 5760 x 1440 dpi for detailed printed output. Print speeds reach up to 11ppm for
