Product Overview

UltraLAN 4U Swing Frame Wall Mount cabinet, CAB-C-6604wmsa, 4U Vertical Rack Space, 19 inch horizontal Rack mounting Space, 60 kg Maximum static load, 2 slots fan mountings

Specifications

Overview Summary:

The UltraLAN 4U Swing Frame Wall Mount Cabinet is the ideal solution for businesses and offices in South Africa looking for a reliable, space-saving way to protect and organize networking equipment. Its hinged swing frame makes access and maintenance easy, while the lockable glass door and powder-coated steel design ensure long-lasting durability and security. Perfect for classrooms, offices, or retail spaces, this cabinet offers a professional look with practical functionality.

With adjustable rail depth, 19-inch rack compatibility, and ventilation options for cooling, it is built to support your networking needs while maximizing space. Shop now to upgrade your setup with a dependable and efficient cabinet designed for modern installations.

Performance tier:Mid-tier professional

Uses:Networking equipment storage, office installations, classroom setups, retail networking, small server rack solutions

Overview:

UltraLAN 4U Swing Frame Wall Mount Cabinet - CAB-C-6604WMSA

UltraLAN's 4U Swing Frame Wall Mount Cabinet is a practical, space-saving solution designed for small to medium networking installations. Ideal for retail stores, offices, classrooms, or any location with limited floor space, this cabinet offers durability, convenience, and reliable protection for your equipment.

Description:

This compact 4U wall-mounted cabinet allows installers to maximize space while ensuring quick access to cabling and devices. The hinged swing frame makes maintenance simple, and the removable side panels with lockable access improve both security and usability. Designed with cooling options and a powder-coated finish, it ensures long-lasting performance and protection for networking hardware.

Features:

Product Specification Sheet

- Dimensions (H x W x D): 315 x 615 x 615 mm

Why Choose UltraLAN Wall Mount Cabinets

UltraLAN cabinets are engineered for reliability and efficiency. With pre-assembled construction, installers save valuable time, while rack-numbered mounting rails simplify equipment alignment. Ventilation slots and optional fan mountings help keep systems cool, and the clear viewing glass provides easy monitoring of devices. The powder-coated steel body resists scratches, ensuring a professional look that lasts.
