

CAB-USB2.0-CM-1M

Unitek USB 2.0 PD 60W USB-C Charging Cable with LED Display - 1m - Black

Product Overview

Unitek USB 2.0 PD 60W USB-C charging cable with LED Display - 1m - Black, C14158ABK01, 480 Mbps Data Transfer Rate, USB-C to USB-C cable Type

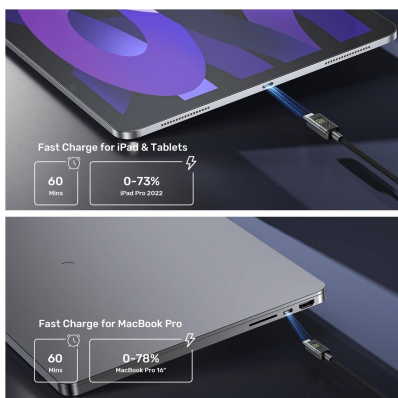

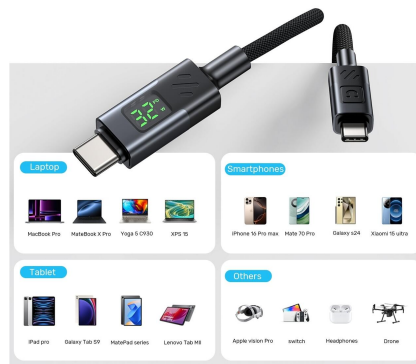

Advanced E-marker chip

E-marker Chip: Faster, safer, smarter

Wide Compatibility

Specifications

Overview Summary:

The Unitek 1m USB-C to USB-C PD 60W Charging Cable with LED Display is built for reliable fast charging and everyday data transfer. Its integrated LED display shows real-time charging wattage, while the durable nylon braided construction and reinforced connectors provide long-lasting performance for smartphones, tablets, laptops and other USB-C devices. Buy now for dependable charging at home, at work or while travelling.

Supporting up to 60W USB Power Delivery and USB 2.0 transfer speeds of up to 480Mbps, this cable is an excellent choice for compatible USB-C devices including laptops, mobile phones and gaming consoles. Shop now for a durable USB-C cable that delivers safe, stable charging and dependable performance.

Performance tier:Mid-range

Uses:Fast charging, USB-C laptop charging, smartphone charging, tablet charging, data transfer, everyday USB-C connectivity, travel charging, office and home use

Overview:

UNITEK USB-C to USB-C 60W PD Charging Cable with LED Display

The UNITEK USB 2.0 PD 60W USB-C charging cable with LED display is designed for users who need reliable fast charging and convenient power monitoring in one cable. With real-time charging wattage display, 60W Power Delivery support, and 480Mbps data transfer, this USB-C to USB-C cable is suitable for smartphones, tablets, laptops, and other compatible USB-C devices.

Part Number / SKU: CAB-USB2.0-CM-1M

Model: C14158ABK01-1M

Description:

The UNITEK PD 60W USB-C charging cable combines fast charging performance, intelligent monitoring, and durable construction for everyday use. The built-in LED display allows users to check charging wattage instantly, while the nylon braided exterior and reinforced connectors provide improved durability. Supporting up to 60W power delivery and USB 2.0 data transfer speeds, this cable is an ideal choice for charging devices such as iPhone 15 series devices, MacBook Air, Samsung Galaxy smartphones, Google Pixel devices, and Nintendo Switch consoles.

Features:

Reliable USB-C Charging with Real-Time Power Display

This UNITEK USB-C charging cable includes a smart LED display that shows the current charging wattage in real time. The display module helps users monitor power delivery during charging, providing a quick way to check charging performance.

Please note that the display shows charging power only and does not display voltage or current information.

60W Power Delivery Fast Charging

Supporting up to 60W charging power (20V/3A), the USB-C PD cable delivers efficient and stable charging when connected to a compatible 60W or higher USB-C power adapter. It provides suitable power for a wide range of USB-C devices, including laptops, tablets, and mobile devices.

Fast USB 2.0 Data Transfer

ComX Computers

Product Specification Sheet

Alongside charging capability, this USB-C to USB-C cable supports data transfer speeds of up to 480Mbps using the USB 2.0 standard. It allows users to transfer files, photos, and other data between compatible devices.

Note: This cable does not support video output.

Durable Nylon Braided Design for Everyday Use

Built for long-term reliability, the UNITEK C14158ABK01-1M features a strong nylon braided outer layer that helps resist wear, bending, and daily strain. Reinforced connectors and a dual-layer construction improve durability, making it suitable for frequent use at home, in the office, or while travelling.

Smart E-Marker Chip for Safer Charging

The integrated E-marker chip enables intelligent power management by identifying connected devices and optimising charging performance. It helps provide safer operation with built-in protection against over-voltage, over-current, overheating, and battery-related charging risks.

Wide USB-C Device Compatibility

The UNITEK 60W USB-C cable works with a broad range of USB-C devices, making it a versatile charging solution for modern technology users.

Compatible devices include:

- iPhone 15 series and newer USB-C iPhone models
- MacBook Air and compatible MacBook devices
- Samsung Galaxy smartphones and tablets
- Google Pixel devices
- Nintendo Switch and gaming accessories
- USB-C laptops, tablets, and other compatible devices

Key Product Highlights

- Smart LED display for real-time charging wattage monitoring
- Supports USB-C Power Delivery charging up to 60W
- USB 2.0 data transfer speeds up to 480Mbps
- Durable nylon braided cable construction
- Reinforced connectors for improved lifespan
- Advanced E-marker chip for intelligent charging control
- Suitable for smartphones, tablets, laptops, and gaming devices

Technical Details

- Brand: UNITEK
- Model: C14158ABK01-1M
- Part Number / SKU: CAB-USB2.0-CM-1M
- Cable Type: USB-C to USB-C
- Length: 1 metre
- Colour: Black
- Charging Standard: USB Power Delivery (PD)
- Maximum Power Output: 60W
- Maximum Current: 3A
- Data Transfer Rate: Up to 480Mbps
- USB Standard: USB 2.0
- Cable Material: Nylon braided exterior
