

CAB-USB3-CM-CM-1M-U

Unitek USB3.1 USB-C (M) to USB-C (M) Cable

Product Overview

Unitek Y-C477BK USB 3.0 Type-C Cables; up to 5Gbps; 1m cable; black; USB 2.0 and USB 1.1 backward compatible; copper construction; data synchronisation and charging

Specifications

About this product

The Unitek Y-C477BK USB 3.0 Type-C cable provides a reliable USB-C to USB-C connection for data synchronisation and charging. With USB 3.0 performance up to 5Gbps, 1m length and backward compatibility with USB 2.0 and USB 1.1, it is suitable for compatible computers, tablets, smartphones and other USB-C devices. Buy now from our website for a practical USB-C connectivity solution.

Overview Summary

Unitek Y-C477BK USB 3.0 Type-C Cable 1m is a black USB Type-C male to male cable designed for high-speed data transfer and charging between compatible USB-C devices. The cable supports data transfer rates of up to 5Gbps and provides a convenient 1m connection length for everyday use.

The cable is manufactured using high-quality copper wires and premium materials to support reliability and durability. It is backward compatible with USB 2.0 and USB 1.1, making it suitable for a range of compatible USB-C computers, tablets, smartphones and other gadgets.

Performance tier: High-speed USB 3.0 connectivity

Uses: USB-C data synchronisation, device charging, connecting USB-C computers, connecting USB-C tablets, connecting USB-C smartphones

Description

The Unitek Y-C477BK is a 1m USB Type-C male to male cable designed to provide a practical connection between compatible USB-C devices. It supports USB 3.0 data transfer speeds of up to 5Gbps, making it suitable for transferring and synchronising data between compatible devices.

The cable is also designed for charging compatible USB-C devices. Its 1m length provides a useful balance between reach

and convenient everyday handling, making it suitable for desktop setups, workstations and general device connectivity.

High-quality copper wires and premium materials are used in the cable construction to support reliability and durability. The Y-C477BK is backward compatible with USB 2.0 and USB 1.1, while its USB Type-C male connectors provide a direct USB-C to USB-C connection.

Features

The Unitek Y-C477BK combines high-speed USB connectivity with a compact 1m design for everyday data and charging requirements.

- USB Type-C male to USB Type-C male connection
- USB 3.0 specification
- Data transfer speeds of up to 5Gbps
- Backward compatible with USB 2.0 and USB 1.1
- Suitable for data synchronisation and charging
- Designed for compatible USB-C computers, tablets, smartphones and gadgets
- High-quality copper wires for reliable connectivity
- Premium materials designed to support durability
- 1m cable length for convenient everyday use
- Black finish

What's in the Box

- 1 x Unitek Y-C477BK USB 3.0 Type-C cable, 1m

Specifications

- Brand: Unitek
- Model: Y-C477BK
- Product code: CAB-USB3-CM-CM-1M-U
- Product type: USB cable
- Cable type: USB Type-C to USB Type-C
- Connector configuration: USB Type-C male to USB Type-C male
- USB specification: USB 3.0
- Data transfer speed: Up to 5Gbps
- Backward compatibility: USB 2.0 and USB 1.1
- Cable length: 1m
- Colour: Black
- Conductor material: Copper
- Primary functions: Data synchronisation and charging

FAQ

What is the Unitek Y-C477BK cable used for?

The Unitek Y-C477BK is used to connect compatible USB-C devices for data synchronisation and charging.

What data transfer speed does the Unitek Y-C477BK support?

The cable supports USB 3.0 data transfer speeds of up to 5Gbps when used with compatible devices and ports.

What connectors does the Unitek Y-C477BK have?

ComX Computers

Product Specification Sheet

The cable has a USB Type-C male connector at each end, providing a USB-C to USB-C connection.

How long is the Unitek Y-C477BK cable?

The Unitek Y-C477BK has a cable length of 1m.

Is the Unitek Y-C477BK backward compatible?

Yes. The cable is backward compatible with USB 2.0 and USB 1.1.

Which devices can use the Unitek Y-C477BK?

It is suitable for compatible USB-C computers, tablets, smartphones and other USB-C gadgets.

Can the Unitek Y-C477BK be used for charging?

Yes. The cable is designed for charging compatible USB-C devices as well as data synchronisation.
