

CAC-1360-CLUB3D

Club 3D CAC-1360 2M HDMI2.0 Male TO Male 4K60HZ 360 degree Cable

Product Overview

Club 3D CAC-1360 2M HDMI2.0 Male TO Male 4K60HZ 360 degree Cable

Specifications

Overview:

CAC-1360 - The Club 3D HDMI™ 2.0 4K60Hz UHD 360 degrees Rotary Cable can be twisted or turned to virtually any position. The Rotator connectors feature a center ball joint design that enables a 360 degree rotation and bending. The CAC-1360 design ensures signal integrity in any position and its flexibility makes it ideal for installations in tight/narrow spaces where standard connectors are hard to fit without having to bend the cable at sharp angles. It fully supports the HDMI™ 2.0 with Ethernet specification, ensuring that video up to 4K UHD, 4096x2160p at 60Hz is supported, as well as audio and data streams.
