Description:

The Club 3D CAC-3031 USB-C cable is engineered for efficiency and style. Its magnetic self-coiling mechanism keeps the cable neatly stored when not in use, eliminating clutter and tangles. With support for 240W Power Delivery 3.1, it powers laptops, tablets, and smartphones quickly and safely. The cable supports 480Mbps data transfer, ensuring smooth file sharing and connectivity. Its durable, flexible design withstands daily use, while the vibrant pink color adds a touch of personality to your tech setup.

Features:

Magnetic Self-Coiling Design for Organized Spaces

This cable stays tidy thanks to its magnetic coil, making it perfect for clean desk setups, car charging, or bedside organization. No more messy cords or frustrating tangles.

High-Speed Charging and Data Transfer

With 240W Power Delivery 3.1 and 480Mbps data bandwidth, this cable provides rapid charging for high-powered devices and fast file transfers without interruption.

Durable and Flexible Construction

The reinforced magnetic tension design minimizes wear and tear, offering a longer-lasting cable that remains flexible and easy to handle over time.

Stylish and Functional

Beyond its performance, the pink Club 3D cable adds a vibrant accent to any setup, proving that practical technology can also look great.
