Product Overview

LinkQnet LinkQnet USB 15.6" Backpack, 32 x 43 x 1.3 cm size, 3x zipped compartments, Travel strap, USB Type-A external Port

Specifications

Overview Summary:

The LinkQnet 15.6" USB Backpack is a practical and reliable solution for anyone needing to carry their laptop and essentials securely. Designed with three zipped compartments, it allows for easy organisation of your laptop, notebooks, and accessories, while the built-in USB Type-A port keeps you connected on the move. Its sleek black design makes it suitable for both professional and casual use.

With a lightweight build and a convenient travel strap for attaching to luggage, this backpack is ideal for commuting, business trips, or daily school use. Durable and functional, it's made for modern users who value convenience and efficiency. Buy now and enjoy a smarter way to carry your tech wherever you go.

Performance tier: Mid-range everyday utility

Uses:daily commuting, school use, office work, travel, laptop transport

Overview:

Stay organised and ready for daily travel with the LinkQnet USB 15.6 inch backpack. Designed for convenience and mobility, this compact yet practical backpack offers multiple compartments for structured storage, along with a built-in USB charging port for modern on-the-go use. Its travel-friendly design makes it suitable for commuting, business trips, and everyday carry.

Description:

This 15.6 inch laptop backpack is built to support both work and travel needs with a streamlined design and practical storage. It accommodates laptops, notebooks, and essential accessories while keeping everything neatly arranged. The integrated USB Type-A external port allows for convenient device charging when paired with a power bank, while the travel strap ensures easy attachment to luggage for seamless transport. Lightweight construction and a clean black finish make it suitable for

professional and casual environments.

Features:

Smart Storage and Everyday Organisation
With three zipped compartments, the backpack provides dedicated space for your laptop, documents, and smaller accessories. This layout helps reduce clutter and improves accessibility, whether you are heading to the office or moving between locations.

- Three separate zipped compartments for structured organisation
- Suitable for laptops up to 15.6 inches along with accessories
- Keeps essentials neatly arranged and easy to access

Designed for Travel Convenience
The integrated travel strap allows the backpack to be securely attached to rolling luggage, reducing strain during transit. This makes it particularly useful for frequent travellers and professionals on the move.

- Travel strap for easy luggage attachment
- Compact profile suitable for carry-on use
- Lightweight build for comfortable portability

Built-In USB Charging Access
Stay connected throughout the day with the external USB Type-A port. By connecting an internal cable to a power bank, you can charge your devices without removing them from your bag.

- External USB Type-A port for convenient charging
- Ideal for smartphones and small devices
- Requires power bank connection (not included)
