Specifications

Overview:

Introducing the Targus Sniper Gaming Backpack, created in collaboration with SteelSeries. Designed for the enthusiastic gamers in partnership with the number one brand for laptop protection on the go. A winning combination of over 15 years of SteelSeries expertise in the gaming market and over 35 years of Targus expertise in backpack category.

The ideal bag to transport gaming console/laptop and accessories to a LAN Party or eSports tournament. Designed to fit with all key gaming accessories: Large Mice, Controllers, Headphones, Keyboards, Gaming Mat and 17.3" large gaming laptops. With a durable exterior, robust padded laptop compartment and SafePort® Sling Protection system that suspends your laptop and keeps your tech protected. Offering superior protection for your gaming laptop or console and all your gaming accessories.

This bag features a dedicated laptop or console section as well as designated place for all your gaming accessories including custom pockets and detachable pouches for easy storage of gaming kit including mouse, keyboard, hard drive, cables & headphones. Padded top handle, shoulder straps and ventilated back padding ensure comfort on the move, while reflective strips and an integrated reflective rain cover increase visibility and keep all your precious kit safe and dry. Also includes a hidden bottle pouch and a secret pouch in the back padding for your ultra-valuables.

Features:

- 26L tech backpack for protecting gaming equipment on the go
- Oversized padded laptop compartment for up to 17.3" laptops
- Dedicated pockets and pouch for gaming kit: mouse, hard drive, keyboard, power brick, sunglasses, headphones, USB sticks
- Carry with comfort: Sternum straps, ventilated back padding and padded shoulder straps for even weight distribution
- Ultra-valuables pocket hidden in back padding

- Integrated reflective rain cover covers whole of backpack
