HP LaserJet MFP Analog Fax Accessory 500

Product Overview

MFP Analog Fax Accessory 500

Specifications

Overview:

- Improve workteam productivity and make information sharing more efficient. Simply add embedded analog fax functionality to your HP LaserJet MFP to send and receive documents quickly, easily and securely.
- This easy-to-install, internal fax card increases the functionality of your device and improves productivity. Enhance the value of your HP Color LaserJet CM3530 MFP with analog fax capability.
- Get industry-renowned HP LaserJet reliability you expect. This affordable and reliable analog fax accessory efficiently processes jobs with V.34 (up to 33.6 kbps), while providing standard JBIG compression to save time and money by shortening calls.
- Enjoy secure faxing on your device with manual and scheduled memory lock. This convenient feature keeps sensitive information confidential by ensuring that faxed documents are only printed for authorised personnel.
