HP Booklet Maker/Finisher with Output

Product Overview

HP Booklet Maker/Finisher with Output

Specifications

Overview:

Booklet maker/finisher with stapling, saddle-stitching, and v-folding capabilities which gives users the ability to create more complex finished documents in-house without the time and expense of going to an outside service.

Features:

- Save time and money by producing more complex marketing material in-house with the HP booklet maker/finisher which has a capacity of up to 2000 sheets and 25 saddle-stitched booklets
- Work more efficiently and without interruptions as the HP booklet maker/finisher enables you to create multi-page documents and to print long runs, using two 1, 000-sheet stacker bins and a 25 saddle-stitched booklet bin
- Create different types of documents using various finishing options including corner and side stapling, saddle-stitching, and v-folding capabilities
