HP Sheet paper tray for P2055

Product Overview

HP Sheet paper tray for P2055

Specifications

Overview:

- Higher paper capacity means less interruption to daily work.
- Automatically print on two different types of paper such as plain paper and glossy brochure paper without manually loading paper trays for each print job.
- Save time and improve the performance of individuals and work groups with the increased paper capacity of this 500-sheet paper tray from HP. With more sheets of available paper, users spend less time refilling paper trays.
