HP CE710A CP5225 Color LaserJet Professional Printer

Product Overview

HP CE710A CP5225 Color LaserJet Professional Printer, USB (A3/A4) PCL, PS3, standard 250 sheet input tray and 100 sheet multi-purpose tray (Media handling: upto 220 g/m2 for multipurpose tray and upto 220g/m2 for 250 sheet tray)

Specifications

About this product

The HP CE710A CP5225 Color LaserJet Professional Printer is a reliable A3 and A4 colour laser printer designed for business, office, and professional printing environments. It delivers fast colour and monochrome printing with support for PCL and PS3 printing languages, high media handling up to 220 g/m2, and flexible paper management with a 250 sheet input tray and 100 sheet multipurpose tray. Buy this HP Color LaserJet Professional printer online today for professional quality A3 printing and quick delivery in South Africa.

Overview Summary

HP CE710A CP5225 Color LaserJet Professional Printer

The HP Color LaserJet Professional CP5225 is a business class colour laser printer built for professional document printing up to A3 size. Designed for offices, studios, schools, and print intensive environments, this printer delivers sharp text, vibrant colour output, and dependable paper handling for everyday business tasks.

With print speeds of up to 20 pages per minute in both black and colour, the CP5225 helps improve productivity while supporting a wide range of media sizes and paper types. The printer includes a standard 250 sheet input tray and a 100 sheet multipurpose tray with media support up to 220 g/m2, making it suitable for brochures, presentations, posters, marketing materials, and office documents.

The HP CE710A supports USB connectivity with PCL and PostScript 3 emulation for broad compatibility with business applications and operating systems. Its robust monthly duty cycle and professional colour performance make it a practical solution for demanding office environments.

Performance tier: Professional business colour laser printer

Uses: Office printing, A3 printing, colour documents, marketing materials, presentations, reports, posters, business graphics

Overview

Cover all your colour business printing needs from postcards to oversize documents, with this versatile and affordable A3 desktop printer. Get superior print quality with HP ColorSphere toner, fast speeds and ease of use, with unrivalled reliability.

Description

The HP Color LaserJet Professional CP5225 is designed for businesses that require dependable colour laser printing with support for larger media sizes up to A3. Its professional grade laser printing engine delivers consistent print quality for both monochrome and colour documents, making it suitable for office environments, graphic work, educational institutions, and small business operations.

This printer supports a wide range of media types including plain paper, glossy paper, cardstock, envelopes, labels, transparencies, and recycled paper. With media support up to 220 g/m2 through both the multipurpose tray and standard tray, the printer is capable of handling heavier paper stocks for presentations, brochures, signage, and promotional materials.

The HP CE710A includes a standard 250 sheet input tray along with a 100 sheet multipurpose tray for flexible media management. It also supports manual duplex printing through the print driver. The integrated USB interface allows direct connection to compatible desktop and workstation systems.

Powered by HP laser printing technology with PCL and PostScript 3 emulation support, the CP5225 integrates into professional business environments with reliable document compatibility and consistent performance. The printer is engineered for medium to high volume workloads with a duty cycle of up to 75000 pages per month.

- Power cable
- Getting started guide
- Software and documentation CD
- Preinstalled black toner cartridge
- Preinstalled cyan toner cartridge
- Preinstalled magenta toner cartridge
- Preinstalled yellow toner cartridge
- 100 sheet multipurpose tray
- 250 sheet input tray

Specifications

Print speed black (ISO, A4)	Up to 20 ppm
Print Speed Color (ISO)	Up to 20 ppm
First page out black (A4, ready)	As fast as 16 sec
First page out color (A4, ready)	As fast as 17 sec
Duplex printing	Manual (driver support provided)
Duty cycle (monthly, letter)	Up to 75,000 pages (Duty cycle is defined as the maximum number of pages per month of imaged output. This value provides a comparison of product robustness in relation to other HP LaserJet or HP Color LaserJet devices, and enables appropriate deployment of printers and MFPs.)
Duty cycle (monthly, A4)	Up to 75,000 pages (Duty cycle is defined as the maximum number of pages per month of imaged output. This value provides a comparison of product robustness in relation to other HP LaserJet or HP Color LaserJet devices, and enables appropriate deployment of printers and MFPs.)

Recommended monthly page volume	1500 to 5000 (HP recommends that the number of printed pages per month be within the stated range for optimum device performance, based on factors including supplies replacement intervals and device life over an extended warranty period.)
Print quality black (best)	Up to 600 x 600 dpi
Print quality color (best)	Up to 600 x 600 dpi
Print languages	HP PCL 6, HP PCL 5, HP postscript level 3 emulation
Print technology	Laser
Connectivity, standard	Hi-Speed USB 2.0
Network ready	Optional
Minimum System Requirements for Macintosh	Mac OS X v10.3 or higher; PowerPC G3, G4, G5, or Intel Core processor; 150 MB available hard disk space; CD-ROM drive; USB or Ethernet port
Minimum System Requirements	Windows 10 (for more information go to, Windows 8 through the HP Universal Print Driver (for more information go to, Windows 7 through the HP Universal Print Driver (for more information go to, Windows Vista (32-bit/64-bit): 1 GHz processor, 512 MB RAM, 250 MB available hard disk space; Windows Server 2003 (print driver only): any Pentium II processor or higher, 64 MB RAM, 250 MB available hard disk space; SVGA 800 x 600 with 16-bit colour display, Internet Explorer 5.5 or higher, CD-ROM drive, USB or Ethernet port
Display	2-line, 16-character backlit display
Processor speed	540 MHz
Maximum Memory	448 MB
Memory	192 MB
Internal Storage	None
Compatible Operating Systems	Windows 10 (for more information go to, Windows 8 through the HP Universal Print Driver (for more information go to, Windows 7 through the HP Universal Print Driver (for more information go to, Windows Vista, Windows Server 2003; Mac OS X v10.3, v10.4, v10.5, v10.6; Linux (see)
Paper handling input, standard	100-sheet Multipurpose tray, 250-sheet input tray
Paper handling output, standard	250-sheet face-down output bin
Paper handling input, optional	Optional 500-sheet input tray 3
Finished output handling	Sheetfed
Media types	Paper (bond, brochure, coloured, glossy, letterhead, photo, plain, preprinted, prepunched, recycled, rough), cardstock, glossy film, transparencies, labels, envelopes
Media sizes supported	Tray 1: A3, A4, A5, A6, RA3, SRA3, B4, B5, 10x15 cm; envelopes (DL, C5, B5); Tray 2: A3, A4, A5, B4, B5; Optional tray 3: A3, A4, B4, B5
Media sizes, custom	Tray 1: 76 x 127 to 320 x 457 mm; 250-sheet input Tray 2: 148 x 182 to 297 x 432 mm; optional 500-sheet input Tray 3: 148 x 210 to 297 x 432 mm
Media weight, recommended	60 to 220 g/m²
Power consumption	440 watts (active), 30 watts (standby), 4.4 watts (powersave), 0.5 watts (off); Typical Electricity Consumption (TEC): 1.787 kWh/Week (Values subject to change. See for current information. Power numbers are the highest values measured using all standard voltages.)
Power	Input voltage: 220 to 240 VAC (+/- 10%), 50 Hz (+/- 2 Hz), 6 A
Operating humidity range	10 to 80% RH

Recommended operating humidity range	20 to 60% RH
Non-Operating Humidity Range	10 to 90% RH
Operating temperature range	10 to 30º C
Blue Angel compliant	No; Please refer to the ECI document
Ecolabels	CECP
Energy star certified	No
Safety	IEC 60950-1 (International), EN 60950-1+A11 (EU), IEC 60825-1+A1+A2, GS License (Europe), EN 60825-1+A1+A2 (Class 1 Laser/LED Device) GB4943-2001, Low Voltage Directive 2006/95/EC with CE Marking (Europe), other safety approvals as required by individual countries
Dimensions (W x D x H)	545 x 599 x 338 mm
Maximum dimensions (W x D x H)	862 x 1066 x 370 mm
Weight	40.9 kg
What's in the box	Printer, power cord, Getting Started Guide, CD with software and documentation, preinstalled black, cyan, magenta, and yellow HP Color LaserJet print cartridges with HP ColorSphere toner, 100-sheet multipurpose tray, 250-sheet input tray

FAQ

Can the HP CP5225 print A3 documents?

Yes. The HP CE710A CP5225 supports both A3 and A4 paper sizes, making it suitable for posters, spreadsheets, presentations, and large format business documents.

Does the HP CP5225 support colour printing?

Yes. This printer supports professional quality colour laser printing as well as monochrome printing.

What connectivity does the HP CE710A provide?

The printer includes a high speed USB 2.0 connection for direct connection to compatible computers and workstations.

Can the printer handle thick paper and cardstock?

Yes. The multipurpose tray and standard tray support media weights up to 220 g/m2, suitable for brochures, covers, and marketing materials.

Is duplex printing supported?

Yes. The HP CP5225 supports manual duplex printing through the printer driver.

What environments is this printer best suited for?

This printer is ideal for offices, schools, architects, marketing departments, print shops, and businesses that require reliable A3 colour laser printing.

Which print languages are supported?

The printer supports PCL 5, PCL 6, and PostScript 3 emulation for broad software and document compatibility.
