Corsair Raptor Katar Optical Gaming Mouse

## Product Overview

Corsair Katar Optical Gaming Mouse, Optical Sensor, 8000DPI, 4 Buttons, Red LED Logo

## Specifications

**Features:**

**Compact, Lightweight, Deadly Accurate.**
Ultra-responsive hardware, compact and light weight design, and configuration settings developed by the world's top players make Katar the gaming mouse in its purest, most essential form.

**Play like a pro**
Corsair Katar is the gaming mouse in its purest form. An 8,000 DPI optical sensor, a compact and light weight design tuned for exceptional comfort and feel, and configuration settings designed by the world's top players deliver the essentials of pure gaming performance for pro gamers… or anybody who wants to beat pro gamers.

**Pro player mode**
Get up to speed with preconfigured performance and tuning settings customized by the world's top players.

**Designed for winning**
Created with the help of top pro gaming teams around the world.

**8,000 DPI optical sensor**
Extreme accuracy for FPS and MOBA gaming. Zero acceleration provides precise tracking for headshots or champion kills.

**Zero lag interface**
the 1,000Hz polling rate pushes the limits of the USB protocol for imperceptible lag.

**On-the-fly DPI tuning**
Instantly adapt your mouse speed to the situation for total command of any environment.

**Four programmable buttons**
take control with extensive customization - anything from simple remaps to complex macros.

**Ambidextrous Shape**
Optimized textured rubber sides grips for left and right handed players.

**Compatibility:**

- A PC with a USB port
- Windows 10, Windows 8 or Windows 7
- An internet connection is required to download the Corsair Utility Engine software
