Specifications

Features:

Exquisitely Modest Aesthetic Design
The IN WIN team presents the 303, a simple, yet elegant computer chassis crafted from steel and tempered glass. The distinctively clean front panel is complemented with a bright LED design to balance the overall appearance.

Radiant Luminosity
The IN WIN logo is highlighted "Neon" as well as the lucent stripped I/O front panel. These gorgeous LEDs also have the purpose of indicating when the PC is activated.

Accelerated Tool-less Design
In Win has set a standard for being an innovative computer hardware company. Mission accomplished with the 303 since it has perfected a tool-less design by being able to remove the beautiful 3mm tempered glass side panel by just pressing the handle.

User Friendly Dust Filter
This easily accessible dust filter has an embedded design for quick removal. It's conveniently located on the bottom, and removing dust has never been easier.

Versatile Cooling Options
Overall, the 303 can accommodate two radiators (top and rear) and three fans at the bottom providing users with a well-cooled rig. The cool air intakes from the bottom creates efficient air flow for quick heat dissipation.

In Win's Attention to Detail
The 303 is constructed with 1.2mm SECC, supports 2.5"and3.5" drive bays, and its separate PSU chamber provides an ideal climate without interfering with the motherboard and graphics card area. The specialized GPU holder can provide extra

support to graphics cards. Yet another detail IN WIN oversees and manufactures to make PC building much easier.

Specifications	
Product Code	CH-i303-K
Model	303
Color	Black
Case Type	Mid Tower
Case Material	SECC, Tempered Glass
M/B Compatibility	12" x 10.7" ATX, Micro-ATX, Mini-ITX
Expansion Slots	PCI-E x 7
Maximum Compatibility	VGA Card Length:350mm
	CPU Heatsink Height :160mm
Front Ports	2 x USB 3.0
	2 x USB 2.0
	HD Audio
Internal Drive Bays	2 x 3.5"
	2 x 2.5"
	Pre-installed (Max. up to 3 bays)
Thermal Solution Compatibility	1 x 120mm Rear Fan / 120mm Radiator
	3 x 120mm Top Fan / 360mm Radiator
	3 x 120mm Bottom Fan
Power Supply Compatibility	PSII: ATX12V
	- Length up to 200mm
Product Dimension (H x W x D)	500mm x 215mm x 480mm
	19.6" x 8.4" x 18.8"
Product Dimension (H x W x D) with screw & handle height	500mm x 248mm x 480mm
	19.6" x 9.7" x 18.8"
Package Dimension (H x W x D)	335mm x 610mm x 572mm
	13.1" x 24" x 22.5"
Net Weight	10.88kg / 24lb
Gross Weight	13.02kg / 28.7lb
