## Specifications

### About this product

The Microworld CL-03 Silver Folding Laptop Notebook Stand is a portable aluminum alloy laptop stand designed for 11 to 16 inch laptops and notebooks. Its 4mm aluminum alloy construction, silicone support surfaces and folding design provide stable support while helping raise the laptop for a more comfortable working position. Supporting up to 10kg, it is suitable for home offices, workstations, study areas and mobile work setups. Buy now from our website for a practical laptop stand solution in South Africa.

### Overview Summary

**Microworld CL-03 Folding Laptop Notebook Stand**

The Microworld CL-03 is a silver folding laptop stand made from aluminum alloy with silicone support surfaces. It is designed for laptops and notebooks from 11 to 16 inches and supports a load of up to 10kg.

The foldable design makes the CL-03 suitable for users who need a compact laptop support solution for desks, home offices, study areas or portable workstations. Its aluminum construction and silicone contact points provide a combination of durability, stability and anti-slip support.

**Performance tier:**General purpose

**Uses:**Laptop elevation, home office, office workstation, studying, portable workstation

### Description

The Microworld CL-03 Silver Folding Laptop Notebook Stand provides a stable raised platform for compatible laptops and notebooks. The stand is designed for devices from 11 to 16 inches and has a stated load capacity of up to 10kg, making it suitable for a wide range of everyday laptop setups.

Constructed from 4mm aluminum alloy, the CL-03 combines a lightweight-style portable form with a durable support structure.

Silicone elements help provide anti-slip contact between the stand and supported device, helping maintain stability during normal use.

The folding construction makes the stand practical for users who move between work areas or need a laptop accessory that can be stored when not in use. It can be used at home, in an office, at a study desk or as part of a portable workstation.

## Features
