Creative Labs Stage Air Soundbar

Product Overview

Creative Labs Stage Air Soundbar

Specifications

Overview:

We've set up the stage for all your desktop audio needs. Engineered with functionality and usability in mind, the Creative Stage Air is a compact, under-monitor soundbar for your computer. It features a sleek and minimalistic style that is designed to fit into any desktop settings. Custom-tuned to deliver impressive audio, the Stage Air also comes with a playtime of up to 6 hours for fuss-free music enjoyment!

Features:

Perfect Fit Anywhere
Built to fit under a flat panel monitor (410 x 78 x 70 mm), the low profile, stylish design of Creative Stage Air makes it a perfect fit for any style and setting. It is conveniently powered by USB, minimizing clutter on your desktop and allowing for more valuable desk space while delivering great audio.

Deep, Loud, And Bold
Get immersed in the crystal-clear highs yet powerful sound at volumes belying its size! Creative Stage Air is tuned to deliver crisp, powerful sound with two custom-tuned full-range drivers. It also houses an oversized passive radiator that reproduces impressive bass without a subwoofer. This is the one audio enhancement you never knew you needed for your movies, music, and even games.

Up To 6 Hours Of Playtime
Enjoy wireless connection with the Stage Air via Bluetooth. The speaker also comes with a built-in battery that lasts up to 6 hours1 so you can play music without a power source. Your music continues to play even after your computer is off! There is also a 3.5mm AUX-in jack that allows for universal compatibility across other analogue audio devices.

Plug and Play
The Creative Stage Air doubles up as a standalone music player! Using a USB mass storage device, simply plug and play your songs via the USB port without connecting to another music device player.

Convenience at Your Fingertips

Specifically designed with usability in mind, the volume controls are conveniently located at the side of the soundbar for easy reach and hassle-free control.

MEET THE BIG GUY - CREATIVE STAGE

Creative Stage features a high performance soundbar that delivers immersive, room-filling audio. The accompanying subwoofer provides the perfect enhancement for rich, thumping bass that reverberates throughout the room, alike the movie theatre!
