Specifications

Overview:

Pantum CM2105ADW Color Laser 3 In 1 Printer

The Pantum CM2105ADW Color Laser 3-in-1 Printer is a versatile and efficient device designed for small to medium-sized office environments. This A4 color laser printer offers three key functions: printing, copying, and scanning. It delivers a print speed of 20 pages per minute (black) and supports automatic duplex printing, making it a convenient choice for handling double-sided documents. The printer is recommended for a monthly volume of 150 to 1500 pages, ensuring reliability for consistent usage. It also comes with starter toners, so you can start using it right away.

Features:
