Ugreen Revodok 5-in-1 Type-C Hub

Product Overview

Ugreen Revodok 5-in-1 Type-C Hub, Type-C Male Input, 4K@30Hz HDMI Output, 3x USB 3.0 Type-A Ports, Supports up to 100W Power Delivery, Premium Aluminium Alloy casing, 15cm cable length

Specifications

Overview:

Upgrade your workspace with the UGREEN Revodok 5-in-1 Type-C Hub, a sleek and efficient 5-in-1 multiport adapter designed to enhance your productivity. Whether you're a professional, student, or digital creator, this hub offers seamless connectivity for all your essential devices. Featuring a razor-thin 12.5mm aluminium body and weighing just 76g, its ultra-portable design makes it an excellent companion for travel or hybrid work environments.

This powerful Type-C hub provides 100W Power Delivery (PD) pass-through charging, ensuring that your laptop stays charged while you use multiple peripherals. With a 4K HDMI output, you can extend or mirror your display for crystal-clear presentations or entertainment. The three USB-A 3.0 ports deliver high-speed 5Gbps data transfer, allowing you to connect external storage devices, keyboards, mice, and more.

Designed for versatility, the UGREEN Revodok 5-in-1 Type-C Hub supports OTG functionality, making it compatible with a wide range of devices, including laptops, tablets, and smartphones. Its premium aluminium casing not only enhances durability but also provides excellent heat dissipation for reliable performance. Whether you need to connect multiple accessories, transfer files at high speeds, or power your laptop, this compact yet powerful hub is the perfect addition to your tech setup.

Features:

- 5-in-1 multiport expansion
- 100W power delivery pass-through
- 5W power supply for connected devices
- 4K HDMI output at 30Hz
- Superspeed 54Gbps data transfer (USB 3.0)
- Ultra-slim & lightweight design
- Premium aluminium casing
- OTG support for mobile devices

WHAT'S IN THE BOX:

- UGREEN Revodok 5-in-1 Type-C Hub | 4K HDMI | USB3.0 - Silver x1
