Canon Maintenance Cartridge MC-05

Product Overview

Canon Maintenance Cartridge MC-05, for imagePROGRAF iPF500 / iPF510 / iPF5000 / iPF5100

Specifications

Overview:

The Canon MC-05 Maintenance Cartridge is a necessary component of the imagePROGRAF iPF500, iPF510, iPF5000, and iPF5100 professional large format printers. It serves as the receptacle for waste ink during cleaning and normal startup subroutines, and is required for operation. Periodic exchange of the MC-05 assures the highest quality printing results with your imagePROGRAF printer. Your printer's software will indicate the status of your MC-05, and for best results it should be exchanged at ~80% capacity.

- Used exclusively with the imagePROGRAF iPF500, iPF510, iPF5000, and iPF5100 large format printers
- Replace when printer's software indicates ~80% full cartridge
