Product Specification Sheet

Designed to provide comfort and support, these ear cushions fit securely over the ear, ensuring a comfortable listening experience even during long hours of use. They are an essential accessory for anyone looking to maintain or improve the comfort of their Yealink headset.

The cushions are made from high-quality materials that offer a balance of softness and durability, making them ideal for daily use. With their easy installation process, you won't need any special tools or skills to replace your old cushions, making it a convenient choice for users at home or in the office. Simply slip them onto your headset, and you're ready to enjoy your next call or meeting in comfort.

Features:

Key Specifications:

- Compatibility: Yealink BH74, UH48, WH68 headsets
- Colour: Black
- Material: Soft, durable fabric for comfort and long-lasting use
- Package Includes: 1 pair of ear cushions
- Easy Installation: No tools required for a quick and straightforward setup

Perfect Fit for Your Yealink Headset

These ear cushions are designed to fit perfectly on the Yealink BH74, UH48, and WH68 headsets, ensuring they stay in place during use. Whether you are using your headset for conference calls, virtual meetings, or long listening sessions, these cushions provide the support and comfort needed for all-day wear.

Durable and Comfortable Design

Crafted with high-quality materials, the Yealink ear cushions offer both durability and softness. They are designed to withstand daily wear and provide a cushioned, comfortable feel against your ears, helping to reduce discomfort that can arise from prolonged headset use.

Quick and Easy to Install

Replacing your old cushions has never been easier. The Yealink ear cushions simply slip onto the headset with minimal effort. No tools are required, so you can get back to using your headset without any delay.
