Performance tier: Mid to High-End

Uses: Gaming PC builds, Custom PC assembly, High-performance cooling setups, System monitoring, Stylish desktop setups

Overview:

Armaggeddon Tessaraxx Core Vision Micro-ATX Gaming Case - Pink

Overview of the Armaggeddon Tessaraxx Core Vision:

The Armaggeddon Tessaraxx Core Vision is a sleek Micro-ATX gaming case designed for gamers who want both style and performance. Featuring a unique pink color option, this case stands out with an 8-inch WXGA LCD display that acts as an activity monitor. The tempered glass side panel allows you to showcase your build while maintaining excellent airflow and cable management.

Features:

Key Features and Benefits:

- 8-inch WXGA LCD Activity Monitor:Keep an eye on system performance and activity in real time.
- Tempered Glass Side Panel:Offers a clear view of internal components while adding a modern aesthetic.
- Stealth Cable Management:Hidden routing keeps cables organized and out of sight for a clean interior.
- Support for Large Components:Fits graphic cards up to 410mm and CPU coolers up to 165mm.
- Liquid Cooling Ready:Dedicated radiator bays support liquid cooling systems up to 360mm for enhanced thermal performance.
- Multiple Front I/O Ports:Includes USB 3.0, USB 3.1 Type-C, and HD audio port for convenient connectivity.

- Drive Bays:Internal bays for 1x 2.5" SSD and 1x 3.5" HDD to meet various storage needs.

Detailed Specifications

Chassis and Build Quality

- Constructed from 0.7mm SPCC fully painted steel, providing durability and rigidity.
- Dimensions: 440mm (L) x 205mm (W) x 352mm (H), compact yet spacious for high-end components.
- Available in fully black, white, or pink finishes to match your personal style.
- Equipped with 4 PCI expansion slots for versatile hardware upgrades.

Cooling System Support

- Rear: Supports one 12cm fan.
- Top: Compatible with up to three 12cm or two 14cm fans, plus liquid cooling radiators sized 240mm, 280mm, or 360mm.
- Bottom: Can hold two or three 12cm fans, depending on HDD installation.
- Note: Fans and radiators are not included with the case.

Front I/O Ports and Connectivity

- 1x USB 3.0 port for high-speed data transfer.
- 1x USB 3.1 Type-C port for modern device compatibility.
- 1x HD audio port for easy connection to headphones or microphones.

Why Choose the Armaggeddon Tessaraxx Core Vision

This Micro-ATX gaming case is perfect for users who want a balance of style, functionality, and expandability. The inclusion of a front LCD activity monitor is a standout feature rarely seen in gaming cases at this price point. Additionally, its spacious interior and support for advanced cooling solutions make it ideal for high-performance gaming rigs.

If you want a compact, visually striking gaming case that doesn't compromise on features or cooling, the Armaggeddon Tessaraxx Core Vision is an excellent choice.
