Specifications

Overview:

550M Optical Gaming Mouse
Impressive comfort right-hand ergonomic form factor with eSports-grade sensor and full functionality customization, used by pro gamers, this is a wonderful choice for any serious gamer

Features:

COUGAR 550M Gaming Mouse
Let's get this straight: If you engage in online gaming or are interested in it, if you love serious gaming and need appropriate gaming gear, 550M is what you're looking for. COUGAR 550M is the best professional level gaming mouse. Let us tell you why.

- BORN FOR GAMING COUGAR 550M becomes one with your hand and allows you to unleash your full power. This gaming mouse's design is based on sound ergonomics, and goes a step further from mere comfort: it helps you enhance your control of the mouse. COUGAR 550M, the best gaming mouse that brings you the best ergonomic design.
- A WORLD OF FUNCTIONS COUGAR 550M brings you all the functionality you will ever need for gaming. Its 6 buttons allow you to access, using only the mouse, up to 21 different functions, including macros, shortcuts and more. With carefully located buttons, including the distinctive Trigger Button, using all this extended functionality will become natural, almost instinctive. All this goes a step further with UIX System. COUGAR's gaming device management system allows you to easily and intuitively manage all this power. COUGAR 550M's 512 Kb internal memory will allow you to store up to 3 full configuration profiles and bring them with you anywhere you go.

6 Fully Configurable Buttons. A World of Functions.
The 6 buttons located in carefully selected areas of the mouse and the 3 configuration profiles the mouse can store on board allow you to access up to 21 functions with a single hand.

Deadly Precise
COUGAR 550M's SDNS-3988 sensor provides you with the precision you need to reach the top of the competitive gaming food chain, providing always the right level for each user. In addition, the 1000 Hz polling rate and 1ms response time ensure an instant response to your commands. In short, 550M will be as quick and precise as you can be.

Configure a myriad functions intuitively and bring them with you.
Set the functionality of all the buttons, assign pictures to profiles for graphical recognition, store macros and share them, all with a very convenient and intuitive interface. The 550M's internal memory will then allow to bring up to 3 full configuration profiles anywhere you go.

Real Gaming Design
The COUGAR 550M's design has been thought so that it adapts optimally to gamers' hands. For every gamer, comfort is a key aspect of a mouse: If you don't feel good, you cannot unleash all your potential. 550M is here to become the best support for your gaming career.
